

Topic: Penitencia Water Treatment Plant Residuals Management Project

Who: Santa Clara Valley Water District (Valley Water)

What: Public Hearing on the CEQA Final Mitigated Negative Declaration and Engineer's Report

When: Tuesday, April 8, 2025, 1:00 p.m.

Where: Valley Water Headquarters Building Boardroom
5700 Almaden Expressway, San Jose, CA
and by Zoom Teleconference at <https://valleywater.zoom.us/j/84454515597>

Valley Water invites you to a Public Hearing regarding the Penitencia Water Treatment Plant Residuals Management Project (Project). The proposed work of improvement is described in the Engineer's Report for the Project. The Engineer's Report and CEQA Final Mitigated Negative Declaration will be available for review at www.valleywater.org and will be available at the meeting.

The project area is located at the Penitencia Water Treatment Plant (3959 Whitman Way, San Jose).

The scope of work for the Project includes improvements to the following components of the Penitencia Water Treatment Plant's existing residuals management system (RMS): washwater handling and treatment, sludge handling and dewatering, and sedimentation basin sludge withdrawal. The primary goal of the project is to address age, capacity, efficiency, and reliability issues with the plant's existing RMS to ensure that the plant efficiently and reliably provides potable water to retailers in Valley Water's service area while meeting applicable regulatory standards.

At the time and place fixed for the Public Hearing, the Board of Directors will receive comments on the Engineer's Report and the CEQA Final Mitigated Negative Declaration for the Project and will consider approving the Project's CEQA Final Mitigated Negative Declaration in accordance with the California Environmental Quality Act. After these steps and after considering the comments on the Engineer's Report and the Final Mitigated Negative Declaration, the Board will decide whether to proceed with the Project.

This meeting is being held in accordance with the Brown Act. The 1:00 pm, April 8, 2025, Public Hearing will be held during a Board meeting and is accessible for public in-person participation at the time, date, and location shown above, and by public virtual participation at the Zoom link above. Document(s) associated with this hearing are available for public inspection prior to the meeting in the Clerk of the Board's Office and online at www.valleywater.org, and will be available at the meeting.

For more information about this hearing or this Project, contact Katrina Jessop, Senior Engineer, at (408) 630-2288 and/or Brandon Ponce, Capital Engineering Manager, at (408) 630-2787.

Important Notices:
