SANTA CLARA VALLEY WATER DISTRICT
COMPENSATION PLAN FOR
UNREPRESENTED EMPLOYEES
IN THE EXECUTIVE SERVICE
(JULY 1, 2018, THROUGH JUNE 30, 2022)

INTRODUCTION

In addition to classified employees represented by three bargaining groups, the Santa Clara Valley Water District (Valley Water) currently employs unrepresented employees in the Unclassified Service of Valley Water pursuant to District Personnel Ordinance 2000-01, section 2.6 ("Executive Employees"). Valley Water also has three Board Appointed Officers ("BAOs") which consist of the Chief Executive Officer, the District Counsel, and the Clerk of the Board. Executive Employees and BAOs are collectively referred to as "Employees" and the terms "Executive Employees" and "BAOs" shall be utilized where there is a distinction in the application of this plan. Except where expressly noted, this document sets forth the terms for compensation and conditions of employment for Employees for the period from July 1, 2018 through June 30, 2022 ("Compensation Plan"). The terms of this Compensation Plan do not constitute a contract and are not intended to create a contract with Employees. The terms of this Compensation Plan are not intended to create any vested right to retirement health benefits set forth herein. The terms of this Compensation Plan may be amended or modified at any time during the effective period through a resolution passed by Valley Water's Board of Directors.

The terms in this Compensation Plan apply to the BAOs except where specifically excluded herein and except where the BAO's respective written employment agreements with Valley Water provide otherwise.

I. SALARY AND COMPENSATION

It is the goal of the Board of Directors to try to achieve a total compensation package for all Executive Employees that is competitive compared to agencies that compete with Valley Water for talent. The Board's goal is to attract and retain the most qualified Executive Employees in accordance with Valley Water's ability to pay.

Total Compensation for survey purposes shall be defined as: Top step salary plus other compensation factors which will be calculated with the same methodology used for Valley Water's three bargaining groups.

II. INSURANCE

A. Health Insurance

1. *Health Insurance for Active Employees*

Medical, Dental, Vision Care, and EAP benefits are provided by Valley Water. Employees pay 15% towards Valley Water's monthly premium cost for medical coverage. Dental, and Vision Care is provided by Valley Water with no monthly premium cost to the Employee.

Medical, Dental, Vision Care and EAP benefits are provided to all regular Employees and their eligible dependents including registered domestic partners, who meet the eligibility criteria. Domestic partner coverage is taxable income for federal income tax purposes.

Employees may only receive coverage under one plan; either as single coverage or family coverage and either as the primary subscriber or as a dependent under the plan of a spouse or registered domestic partner who is a regular Valley Water employee. Eligible dependents will only be covered under one employee's medical plan.

Medical Insurance

Valley Water currently provides the choice between three medical plans:

Kaiser Permanente HMO – Requires enrolled members and their dependents to utilize Kaiser Permanente physicians and facilities for all their medical services.

Blue Shield HMO - Requires enrolled members and their dependents to choose a Primary Care Physician (PCP) within a specified medical group, which will coordinate and direct all their medical services. The assigned PCP can refer the members to Specialty Physicians within the medical group.

Blue Shield PPO - Enrolled members and their dependents can choose any physician or facility for their medical services. If a Blue Shield participating physician, hospital or other participating provider is utilized, the out-of-pocket expenses could be reduced. These providers have agreed to accept Blue Shield's payment plus any applicable deductibles and co-pays.

While Valley Water provides the three medical plans as of the start date of this Compensation Plan, they may be changed at the sole discretion of Valley Water upon prior notice to Employees.

Dental Insurance

All Employees and their dependents are to enroll in the Delta Dental plan with no monthly premium cost to Employees. Valley Water's Delta Dental PPO/Premier Plan is an incentive plan that encourages the members to maintain their dental health by seeing a dentist regularly. Provided the members see a dentist at least once each calendar year for diagnostic and preventive services, the coverage will increase by 10% each year until 100% coverage for most services is obtained. The first year of coverage starts at 70%, second year would increase to 80%, the third year would increase to 90%, and the fourth year, the coverage will remain at 100%. If regular dental screenings are not maintained, Delta Dental has the option to reduce your level of coverage.

Vision Plan

Vision coverage is based on medical plan the Employee chooses. If Kaiser is the selected medical plan, vision coverage is provided through Kaiser's Vision Care Services. There is no extra cost associated with Kaiser's vision coverage – it is built into the medical plan premium. Vision Service Plan (VSP) is offered to those Employees enrolled in the Blue Shield HMO or PPO plans. The premiums are 100% paid by Valley Water. Both the Kaiser plan and the VSP plan are standard vision coverage plans, which offer annual eye exams, frame and lenses allowances. Employees who choose to waive medical insurance are ineligible for vision coverage.
