Dear Valley Water Board Members,

I am writing to support Vice Chair Barbara Keegan's election to Chair of your board. Vice Chair Keegan has the knowledge and skills necessary to effectively lead the board this year. She is a clear communicator who has a collaborative approach that builds bridges with other elected officials and staff, which I have appreciated as a councilmember for the City of San Jose.

As you no doubt know, Vice Chair Keegan is an experienced engineer with a firm grasp of the technical matters that come before your board. In my experience, she uses that knowledge to put the public's interest first in her decisions. In

short, she is of the highest ethical character and everything we hope for in a public servant.

Please support Barbara Keegan for board chair.

Sincerely,

Councilmember Dev Davis
