Please describe your interest in serving on this committee:

I've lived in Alviso since 2003. During this period I've been very concerned and vocal about numerous problems affecting Alviso. I'm especially concerned about the environment, including water, air and toxics.

Please describe your relevant qualifications: I am an attorney (retired) and I've practiced law in many areas of the law, including working for a law firm and in house for several high tech, biotech and aerospace corporations. In addition to my legal work, I worked for EPA Region 9 in the Air Division in 1989. I started a consulting firm in air regulatory compliance in 1991, after leaving EPA.

How would the community benefit by your participation on this committee?

With my legal background as well as my interest and experience in environmental issues, I believe I can make significant contributions to the committee.
