

Topic: Security Upgrades and Enhancements Project

Who: Santa Clara Valley Water District (Valley Water)

What: Public Hearing on Engineer’s Report and CEQA Exemption Determination

When: Tuesday, October 8, 2024, 1:00 p.m.

Where: Valley Water Headquarters Building Boardroom
5700 Almaden Expressway, San Jose, CA
and by Zoom Teleconference at <https://valleywater.zoom.us/j/84454515597>

Valley Water invites you to a Public Hearing regarding the Security Upgrades and Enhancements Project (Project). The proposed work of improvement is described in the Engineer’s Report for Phase 1 of the Project. The Engineer’s Report is available for public inspection prior to the meeting in the Clerk of the Board’s Office and online at www.valleywater.org and will be available at the meeting.

The scope of work for Phase 1 of the Project includes security upgrades and enhancements as described below, at the following locations:

Site 1: Coyote Pumping Plant, 1833 Peet Road, Morgan Hill, CA

Replace 1,728 linear feet (LF) of existing 6-foot to 7-foot-high fencing with 9-foot high mini-mesh chain-link fence; replace one existing pedestrian gate; replace two existing 20-foot long manual vehicular gates; and replace one 25-foot-long automatic vehicular security gate.

Site 2: Santa Teresa Water Treatment Plant, 7011 Graystone Lane, San Jose, CA

Replace 2,725 linear feet (LF) of existing 6-foot to 8-foot-high fencing with 9-foot high mini-mesh chain-link fence; install 880 linear feet (LF) of new fencing along other segments of the Valley Water’s property line to include new fencing around the clear well; replace seven existing pedestrian gates; replace two existing 18-foot-long manual vehicular gates; and replace two 29-foot-long automatic vehicular security gates.

Site 3: Winfield Complex, 5905 Winfield Blvd, San Jose, CA

Replace 1,003 linear feet (LF) of existing 6-foot to 9-foot high fencing with 9-foot high mini-mesh chain-link fence; install 200 linear feet (LF) of new fencing along other segments of the Valley Water’s property to extend the Gate A entrance and Gate B exit; replace one existing pedestrian gate; replace one existing 30-foot long manual vehicular gate; and replace existing one 28-foot long and one 30-foot long manual vehicular gates with new automatic vehicular security gate.

Site 4: Headquarters, Corporate Yard, 5770 Almaden Expressway, San Jose, CA

Replace 1,546 linear feet (LF) of existing 6-foot to 8-foot high fencing with 9-foot high mini-mesh chain-link fence; install 300 linear feet (LF) of new fencing along other segments of the Valley Water’s property; replace two and install one new pedestrian gate; remove two 20-foot long and one 40-foot long manual vehicular gates and replace with 9-foot fencing; replace one 10-foot long manual vehicular gates; and replace three 20-foot long new automatic vehicular security gates with new automatic vehicular security gates.

Site 5: Silicon Valley Advanced Water Purification Center, San Jose, CA

Replace 1,929 linear feet (LF) of existing 6-foot to 8-foot-high fencing with 9-foot high mini-mesh chain-link fence; replace two existing and install one new pedestrian gate for Visitor Center relocation; replace two 12-foot and one 24-foot manual vehicular gates; and replace one 40-foot and one 50-foot automatic vehicular security gates.

At the time and place fixed for the Public Hearing, the Board of Directors will receive comments on the Engineer's Report and the CEQA exemption determination for the Project and consider approving the Project's CEQA exemption determination in accordance with the California Environmental Quality Act. After considering the comments on the Engineer's Report, the Board will decide whether or not to proceed with the Project.

This meeting is being held in accordance with the Brown Act. The 1:00 p.m., October 8, 2024, Public Hearing will be held during a board meeting and is accessible for public in-person participation at the time, date, and location shown above, and by public virtual participation at the Zoom link above. Document(s) associated with this hearing are available for public inspection prior to the meeting in the Clerk of the Board's Office and online at www.valleywater.org, and will be available at the meeting.

For more information, contact Tony Ndah, Deputy Administrative Officer, at 408-630-2208 and/or Antonea Colon, Acting Supervising Program Administrator, at 408-630-2950.
