Whenever any 2025 Bond or 2025 Bonds shall be surrendered for transfer, Valley Water shall execute and the Trustee shall authenticate and shall deliver a new 2025 Bond or 2025 Bonds of authorized denomination or denominations for a like series and aggregate principal amount of the same maturity. The Trustee shall require the 2025 Bond Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. Following any exchange of 2025 Bonds, the Trustee will cancel and destroy the 2025 Bonds it has received.

Section 2.05. Registration Books. The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the 2025 Bonds, which shall upon reasonable notice and at reasonable times be open to inspection during regular business hours by Valley Water and the Owners; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the 2025 Bonds as hereinbefore provided.

The person in whose name any 2025 Bond shall be registered shall be deemed the Owner thereof for all purposes hereof, and payment of or on account of the interest on and principal and Redemption Price of by such 2025 Bonds shall be made only to or upon the order in writing of such registered Owner, which payments shall be valid and effectual to satisfy and discharge liability upon such 2025 Bond to the extent of the sum or sums so paid.

Section 2.06. Form and Execution of 2025 Bonds. The 2025 Bonds shall be in substantially the form set forth in Exhibit A hereto. The 2025 Bonds shall be executed in the name and on behalf of Valley Water with the manual or facsimile signature of its Chair of the Board of Directors. The 2025 Bonds may carry a seal, and such seal may be in the form of a facsimile of Valley Water's seal and may be reproduced, imprinted or impressed on the 2025 Bonds. The 2025 Bonds shall then be delivered to the Trustee for authentication by it. 2025 Bonds bearing the signature of officers of Valley Water in office on the date of the signing are valid, notwithstanding that before delivery the persons signing have ceased to be officers, and such 2025 Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issue, shall be as binding upon Valley Water, and also any 2025 Bonds may be signed on behalf of Valley Water by such persons as at the actual date of execution of such 2025 Bonds shall be the proper officers of Valley Water although at the nominal date of such 2025 Bonds any such person shall not have been such officer of Valley Water.

Section 2.07. 2025 Bonds Mutilated, Lost, Destroyed or Stolen. If any 2025 Bond shall become mutilated, Valley Water, at the expense of the Owner of said 2025 Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new 2025 Bond of like tenor, series and authorized denomination in exchange and substitution for the 2025 Bonds so mutilated, but only upon surrender to the Trustee of the 2025 Bond so mutilated. Every mutilated 2025 Bond so surrendered to the Trustee shall be canceled by it. If any 2025 Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory to the Trustee and indemnity satisfactory to the Trustee shall be given, Valley Water, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new 2025 Bond of like tenor, series and authorized denomination in lieu of and in substitution for the 2025 Bond so lost, destroyed or stolen (or if any such 2025 Bond shall have matured or shall be about to mature, instead of issuing a substitute 2025 Bond, the Trustee may pay the same without surrender thereof). Valley Water may require payment by the Owner of a sum not exceeding the actual cost of preparing each new 2025 Bond issued under this Section and of the expenses which may be incurred by Valley Water and the Trustee in connection therewith. Any 2025 Bond issued under the provisions of this Section in lieu of any 2025 Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of Valley Water whether or not the 2025 Bond so alleged to be lost, destroyed, or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Indenture with all other 2025 Bonds secured by this Indenture. Notwithstanding any other provision of this Section, in lieu of delivering a new 2025 Bond for a 2025 Bond which has been mutilated, lost, destroyed or stolen and which has matured or has been selected for redemption, the Trustee may make payment of such 2025 Bond upon receipt of indemnity satisfactory to the Trustee.

Section 2.08. Book Entry System.

(a) Election of Book Entry System. Prior to the issuance of the 2025 Bonds, Valley Water may provide that such 2025 Bonds shall be initially issued as book entry 2025 Bonds. If Valley Water shall elect to deliver any 2025 Bonds in book entry form, then Valley Water shall cause the delivery of a separate single fully registered bond (which may be typewritten) for each maturity date of such 2025 Bonds in an authorized denomination corresponding to that total principal amount of the 2025 Bonds designated to mature on such date. Upon initial issuance, the ownership of each such 2025 Bond shall be registered in the 2025 Bond Registration Books in the name of the Nominee, as nominee of the Depository, and ownership of the 2025 Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 2.08(e).

With respect to book entry 2025 Bonds, Valley Water and the Trustee shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book entry 2025 Bonds. Without limiting the immediately preceding sentence, Valley Water and the Trustee shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book entry 2025 Bonds; (ii) the delivery to any Participant or any other person,

other than an Owner as shown in the 2025 Bond Registration Books, of any notice with respect to book entry 2025 Bonds, including any notice of redemption; (iii) the selection by the Depository and its Participants of the beneficial interests in book entry 2025 Bonds to be redeemed in the event Valley Water redeems the 2025 Bonds in part; or (iv) the payment by the Depository or any Participant or any other person, of any amount of principal of, premium, if any, or interest on book entry 2025 Bonds. Valley Water and the Trustee may treat and consider the person in whose name each book entry 2025 Bond is registered in the 2025 Bond Registration Books as the absolute Owner of such book entry 2025 Bond for the purpose of payment of principal of, premium and interest on such 2025 Bond, for the purpose of giving notices of redemption and other matters with respect to such 2025 Bond, for the purpose of registering transfers with respect to such 2025 Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium, if any, and interest on the 2025 Bonds only to or upon the order of the respective Owner, as shown in the 2025 Bond Registration Books, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge Valley Water's obligations with respect to payment of principal of, premium, if any, and interest on the 2025 Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the 2025 Bond Registration Books, shall receive a 2025 Bond evidencing the obligation to make payments of principal of, premium, if any, and interest on the 2025 Bonds. Upon delivery by the Depository to Valley Water and the Trustee of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such nominee of the Depository.

(b) Delivery of Letter of Representations. In order to qualify the book entry 2025 Bonds for the Depository's book entry system, Valley Water shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon Valley Water or the Trustee any obligation whatsoever with respect to persons having interests in such book entry 2025 Bonds other than the Owners, as shown on the 2025 Bond Registration Books. By executing a Letter of Representations, Valley Water shall agree to take all action necessary at all times so that Valley Water will be in compliance with all representations of Valley Water in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, Valley Water and the Trustee shall take such other actions, not inconsistent with this Indenture, as are reasonably necessary to qualify book entry 2025 Bonds for the Depository's book entry program.

(c) Selection of Depository. In the event that: (i) the Depository determines not to continue to act as Securities Depository for book entry 2025 Bonds; or (ii) Valley Water determines that continuation of the book entry system is not in the best interest of the beneficial owners of the 2025 Bonds or Valley Water, then Valley Water will discontinue the book entry system with the Depository. If Valley Water determines to replace the Depository with another qualified Securities Depository, Valley Water shall prepare or direct the preparation of a new single, separate, fully registered 2025 Bond for each of the maturity dates of such book entry 2025 Bonds, registered in the name of such successor or substitute qualified Securities Depository or its Nominee as provided in subsection (e) hereof. If Valley Water fails to identify another qualified Securities Depository to replace the Depository, then the 2025 Bonds shall no longer be restricted to being registered in such 2025 Bond Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such 2025 Bonds shall designate, in accordance with the provisions of Sections 2.03 and 2.04 hereof.

(d) Payments To Depository. Notwithstanding any other provision of this Indenture to the contrary, so long as all Outstanding 2025 Bonds are held in book entry form and registered in the name of the Nominee, all payments of principal of, redemption premium, if any, and interest on such 2025 Bond and all notices with respect to such 2025 Bond shall be made and given, respectively to the Nominee, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Trustee notwithstanding any inconsistent provisions herein.

(e) Transfer of 2025 Bonds to Substitute Depository.

(i) The 2025 Bonds shall be initially issued as provided in Section 2.01 hereof. Registered ownership of such 2025 Bonds, or any portions thereof, may not thereafter be transferred except:

(A) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to clause (B) of subsection (i) of this Section 2.08(e) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(B) to any Substitute Depository, upon: (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository; or (2) a determination by Valley Water that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(C) to any person as provided below, upon: (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository; or (2) a determination by Valley Water that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(ii) In the case of any transfer pursuant to clause (A) or clause (B) of subsection (i) of this Section 2.08(e), upon receipt of all Outstanding 2025 Bonds by the Trustee, together with a Written Request of Valley Water to the Trustee designating the Substitute Depository, a single new 2025 Bond, which Valley Water shall prepare or cause to be prepared, shall be issued for each maturity of 2025 Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such Written Request of Valley Water. In the case of any transfer pursuant to clause (C) of subsection (i) of this Section 2.08(e), upon receipt of all Outstanding 2025 Bonds by the Trustee, together with a Written Request of Valley Water to the Trustee, new 2025 Bonds, which Valley Water shall prepare or cause to be prepared, shall be issued in such denominations and registered in the names of such persons as are requested in such Written Request of Valley Water, subject to the limitations of Section 2.01 hereof, provided that the Trustee shall not be required to deliver such new 2025 Bonds within a period of less than sixty (60) days from the date of receipt of such Written Request of Valley Water.

(iii) In the case of a partial redemption or an advance refunding of any 2025 Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such 2025 Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Trustee, all in accordance with the Letter of Representations. The Trustee shall not be liable for such

Depository's failure to make such notations or errors in making such notations and the records of the Trustee as to the Outstanding principal amount of such 2025 Bonds shall be controlling.

(iv) Valley Water and the Trustee shall be entitled to treat the person in whose name any 2025 Bond is registered as the Owner thereof for all purposes of this Indenture and any applicable laws, notwithstanding any notice to the contrary received by the Trustee or Valley Water; and Valley Water and the Trustee shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the 2025 Bonds. Neither Valley Water nor the Trustee shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any 2025 Bonds, and the Trustee may rely conclusively on its records as to the identity of the Owners of the 2025 Bonds.

Valley Water hereby further agrees to use its best efforts to cause the acquisition and/or construction of the 2025 Project to be completed as soon as possible, unforeseeable delays beyond the reasonable control of Valley Water only excepted.

(c) Valley Water may add, delete or substitute other improvements for the facilities and equipment listed as components of the 2025 Project in Exhibit B hereto in accordance with Section 3.06 hereof.

Section 3.06. Application of the Series 2025A Acquisition and Construction Fund and 2025B Acquisition and Construction Fund. Amounts on deposit in the Series 2025A Acquisition and Construction Fund and the Series 2025B Acquisition and Construction Fund may be used and withdrawn by Valley Water, upon filing a Written Request of Valley Water with the Trustee in the form attached hereto as Exhibit D, for the payment for the payment of Costs of Issuance, for the costs of the acquisition and/or construction of the 2025 Project or to reimburse Valley Water for previous costs expended as Costs of Issuance or in the acquisition and/or construction of the 2025 Project.

Within the Series 2025A Acquisition and Construction Fund and the Series 2025B Acquisition and Construction Fund the Trustee shall, in accordance with a Written Request of Valley Water filed with the Trustee, establish such accounts therein in order to provide for the accounting of any component or group of components constituting a portion of the 2025 Project.

Valley Water may add, delete or substitute other improvements for the facilities listed as components of the 2025 Project in Exhibit B hereto, but only if Valley Water first files with the Trustee a certificate in substantially the form set forth in Exhibit E hereto which:

(1) identifies the improvements to be substituted and the improvements to be added; and

(2) states that the estimated costs of construction, acquisition and/or installation of the added, deleted or substituted improvements are not less than such costs for the previously planned components of the 2025 Project and/or Valley Water has sufficient funds or 2025 Bonds proceeds to construct and/or acquire the substituted or added improvements;

(3) states that such added, deleted or substituted improvements will not adversely affect the payment of principal of, and interest on, the 2025 Bonds; and

(4) states that the improvements to be added or substituted are eligible to be financed pursuant to Measure B approved by the voters of Valley Water on November 6, 1984.

When the acquisition and/or construction of the 2025 Project to be financed from proceeds of the 2025 Bonds has been completed, Valley Water shall file a Written Request of Valley Water with the Trustee directing the Trustee to transfer any remaining balance of money in the Series 2025A Acquisition and Construction Fund and the Series 2025B Acquisition and Construction Fund to the Rebate Fund an amount to the extent necessary to pay Rebatable Arbitrage and any remaining balance to the Payment Fund as directed by Valley Water, and applied as provided in this Indenture.

Each Written Request of Valley Water shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts.

Section 3.07. Validity of 2025 Bonds. The validity of the authorization and issuance of the 2025 Bonds is not dependent on and shall not be affected in any way by any proceedings taken by Valley Water or the Trustee with respect to any other agreement. The recital contained in the 2025 Bonds that the same are issued pursuant to the Constitution and laws of the State shall be conclusive evidence of the validity and of compliance with the provisions of law in connection with their issuance.

In the event of a redemption pursuant to Section 4.01(a) or (d) Valley Water shall provide the Trustee with a revised sinking fund schedule giving effect to the redemption so completed.

Section 4.02. Selection of 2025 Bonds for Redemption. Whenever provision is made in this Indenture for the redemption of less than all of the 2025 Bonds in accordance with Sections 4.01(a), (b), and (d) hereof, the Trustee shall select such 2025 Bonds for redemption as directed by Valley Water and by lot within each maturity in integral multiples of \$5,000 in accordance with

Sections 4.01(a), (b), and (d) hereof, as applicable. The Trustee will promptly notify Valley Water in writing of the numbers of such 2025 Bonds or portions thereof so selected for redemption.

Section 4.03. Notice of Redemption. Notice of redemption shall be given at least twenty (20) days but not more than sixty (60) days before any Redemption Date, to the respective Owners of any 2025 Bonds designated for redemption at their addresses appearing on the Registration Books, to the Securities Depositories and the Information Services; provided, however, that so long as a book-entry system is used for the 2025 Bonds, the Trustee will send notice of redemption only to the Securities Depositories and Information Services. Notice of redemption to the Securities Depositories shall be given by the method required by such Securities Depositories. Each notice of redemption shall state the date of notice, the Redemption Date, the place or places of redemption, the Redemption Price, will designate the maturities, CUSIP numbers, if any, and, if less than all 2025 Bonds of any such maturity are to be redeemed, the serial numbers of the 2025 Bonds of such maturity to be redeemed by giving the individual number of each 2025 Bond or by stating that all 2025 Bonds between two stated numbers, both inclusive, have been called for redemption and, in the case of 2025 Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Neither the failure to receive such notice nor any defect in the notice or the mailing thereof will affect the validity of the redemption of any 2025 Bond. Notice of redemption of 2025 Bonds shall be given by the Trustee at the expense of Valley Water.

With respect to any notice of optional redemption of 2025 Bonds, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the Redemption Date of moneys sufficient to pay the principal of, premium, if any, and interest on such 2025 Bonds to be redeemed and that, if such moneys shall not have been so received, said notice shall be of no force and effect and the Trustee shall not be required to redeem such 2025 Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made, and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

Section 4.04. Partial Redemption of 2025 Bonds. (a) The 2025 Bonds are intended to be “Bonds” under the Water Utility Parity System Master Resolution and shall be secured by the pledge and liens created in the Water Utility Parity System Master Resolution on a parity with the Bonds and Contracts secured thereby and in accordance with California law, including but not limited to Section 5451 of the Government Code of the State of California.

(b) In order to carry out and effectuate the pledge and lien contained in the Water Utility Parity System Master Resolution for the 2025 Bonds, not later than three (3) Business Days prior to each Interest Payment Date, Valley Water shall transfer Net Water Utility System Revenues from the Water Utility System Revenue Fund held by Valley Water under the Water Utility Parity System Master Resolution to the Trustee the amount, if any, necessary for the payments of interest and principal on the 2025 Bonds due and payable on such Interest Payment Date.

Section 5.02. Application of 2025A Payment Fund. There is hereby established with the Trustee the 2025A Payment Fund, which the Trustee covenants to maintain and hold in trust separate and apart from other funds held by it so long as any principal of and interest on the Series 2025A Bonds remain unpaid. Except as directed herein, all payments of interest and principal on the Series 2025A Bonds transferred by Valley Water from the Water Utility System Revenue Fund to the 2025A Payment Fund pursuant to Section 5.01(b) shall be promptly deposited by the Trustee upon receipt thereof into the 2025A Payment Fund; except that all moneys received by the Trustee and required hereunder to be deposited in the 2025A Account of the Redemption Fund shall be promptly deposited therein. All payments of interest and principal on the Series 2025A Bonds deposited with the Trustee shall be held, disbursed, allocated and applied by the Trustee only as provided in this Indenture. The Trustee shall also establish and hold a 2025A Interest Account and a 2025A Principal Account within the 2025A Payment Fund.

The Trustee shall transfer from the 2025A Payment Fund and deposit into the following respective accounts the following amounts in the following order of priority and at the following times, the requirements of each such account (including the making up of any deficiencies in any such account resulting from lack of Net Water Utility System Revenues sufficient to make any earlier required deposit) at the time of deposit to be satisfied before any transfer is made to any account subsequent in priority:

(a) Not later than the Business Day preceding each Interest Payment Date, the Trustee shall deposit in the 2025A Interest Account that sum, if any, required to cause the aggregate amount on deposit in the 2025A Interest Account to be at least equal to the amount of interest

becoming due and payable on such Interest Payment Date on all Series 2025A Bonds then Outstanding. No deposit need be made into the 2025A Interest Account so long as there shall be in such fund moneys sufficient to pay the interest becoming due and payable on such Interest Payment Date on all Series 2025A Bonds then Outstanding.

(b) Not later than the Business Day preceding each date on which the principal of the Series 2025A Bonds shall become due and payable hereunder, the Trustee shall deposit in the 2025A Principal Account that sum, if any, required to cause the aggregate amount on deposit in the 2025A Principal Account to equal the principal amount of the Series 2025A Bonds coming due and payable on such date. The Trustee shall transfer from the 2025B Payment Fund and deposit into the following respective accounts the following amounts in the following order of priority and at the following times, the requirements of each such account (including the making up of any deficiencies in any such account resulting from lack of Net Water Utility System Revenues sufficient to make any earlier required deposit) at the time of deposit to be satisfied before any transfer is made to any account subsequent in priority:

(a) Not later than the Business Day preceding each Interest Payment Date, the Trustee shall deposit in the 2025B Interest Account that sum, if any, required to cause the aggregate amount on deposit in the 2025B Interest Account to be at least equal to the amount of interest becoming due and payable on such Interest Payment Date on all Series 2025B Bonds then Outstanding. No deposit need be made into the 2025B Interest Account so long as there shall be in such fund moneys sufficient to pay the interest becoming due and payable on such Interest Payment Date on all Series 2025B Bonds then Outstanding.

(b) Not later than the Business Day preceding each date on which the principal of the Series 2025B Bonds shall become due and payable hereunder, the Trustee shall deposit in the 2025B Principal Account that sum, if any, required to cause the aggregate amount on deposit in the 2025B Principal Account to equal the principal amount of the Series 2025B Bonds coming due and payable on such date. No deposit need be made into the 2025B Principal Account so long as there shall be in such fund moneys sufficient to pay the principal becoming due and payable on such date on all Series 2025B Bonds then Outstanding.

(c) All amounts in the 2025B Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying interest on the Series 2025B Bonds as it shall become due and payable (including accrued interest on any Series 2025B Bonds purchased or accelerated prior to maturity pursuant to this Indenture).

(d) All amounts in the 2025B Principal Account shall be used and withdrawn by the Trustee solely to pay the principal amount of the Series 2025B Bonds at maturity, purchase or acceleration; provided, however, that at any time prior to selection for redemption of any such Series 2025B Bonds, upon Written Request of Valley Water, the Trustee shall apply such amounts to the purchase of Series 2025B Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the 2025B Interest Account) as shall be directed pursuant to a Written Request of Valley Water, except that the purchase price (exclusive of accrued interest) may not exceed the Redemption Price then applicable to the Series 2025B Bonds.

Section 5.04. Application of Redemption Fund. There is hereby established with the Trustee a special fund designated as the “Redemption Fund” and in the Redemption Fund, separate accounts designated as the “Series 2025A Account” and the “Series 2025B Account.” All amounts in the Series 2025A Account of the Redemption Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the Redemption Price of the Series 2025A Bonds to be redeemed on any Redemption Date pursuant to Section 4.01 and all amounts in the Series 2025B Account of the Redemption Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the Redemption Price of the Series 2025B Bonds to be redeemed on any Redemption Date pursuant to Section 4.01; provided, however, that at any time prior to selection for redemption of any such 2025 Bonds, upon Written Request of Valley Water, the Trustee shall apply such amounts to the purchase of 2025 Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the 2025A Interest Account or the 2025B Interest Account, as applicable) as shall be directed pursuant to a Written Request of Valley Water, except that the purchase price (exclusive of accrued interest) may not exceed the Redemption Price then applicable to the 2025 Bonds.

Section 5.05. Investments. All moneys in any of the funds or accounts established with Valley Water or the Trustee pursuant to this Indenture shall be invested by Valley Water or the

Trustee, as the case may be, solely in Permitted Investments, which will, as nearly as practicable, mature on or before the dates when such moneys are anticipated to be needed for disbursement. Any investments by the Trustee shall be directed by Valley Water pursuant to a Written Request of Valley Water filed with the Trustee at least two (2) Business Days in advance of the making of such investments (which directions shall be promptly confirmed to the Trustee in writing). In the absence of any such directions from Valley Water, the Trustee shall invest any such moneys in Permitted Investments described in clause (g) of the definition thereof; provided, however, that any such investment shall be made by the Trustee only if, prior to the date on which such investment is to be made, the Trustee shall have received a Written Request of Valley Water specifying a specific money market fund and, if no such Written Request of Valley Water is so received, the Trustee shall hold such moneys uninvested. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the 2025A Interest Account or the 2025B Interest Account, as directed in a Written Request of Valley Water filed with the Trustee, unless otherwise provided in this Indenture. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made pursuant to this Section 5.05.

Valley Water acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory entity grant Valley Water the right to receive brokerage confirmations of security transactions as they occur, Valley Water specifically waives receipt of such confirmations to the extent permitted by law. The Trustee shall furnish Valley Water periodic cash transaction statements which shall include detail for all investment transactions effected by the Trustee and brokers selected by Valley Water. Upon Valley Water's election, such statements will be delivered via the Trustee's online service and upon electing such service; paper statements will be provided only upon request. Valley Water waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. Valley Water further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker.

The Trustee may make any investments hereunder through its own bond or investment department or trust investment department, or those of its parent or an affiliate. The Trustee or any of its affiliates may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder. The Trustee or any of its affiliates may act as sponsor, advisor or manager in connection with any investments made by the Trustee under this Indenture.

Valley Water shall invest, or cause to be invested, all moneys in any fund or accounts established with the Trustee as provided in the Tax Certificate.

For investment purposes, the Trustee may commingle the funds and accounts established hereunder (other than the Rebate Fund), but shall account for each separately. In making any valuations of investments hereunder, the Trustee may utilize and rely on computerized securities pricing services that may be available to the Trustee, including those available through the Trustee accounting system.

Section 5.06. Rebate Fund.

(a) Establishment. The Trustee shall establish for the Series 2025A Bonds a fund designated the “Rebate Fund.” Except as may otherwise be approved by an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Series 2025A Bonds will not be adversely affected, Valley Water shall cause to be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to this Section and the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment to the United States Treasury. All amounts on deposit in the Rebate Fund for the Series 2025A Bonds shall be governed by this Section and the Tax Certificate, unless and to the extent that Valley Water delivers to the Trustee an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Series 2025A Bonds will not be adversely affected if such requirements are not satisfied. Notwithstanding anything to the contrary contained herein or in the Tax Certificate, the Trustee: (i) shall be deemed conclusively to have complied with the provisions hereof and thereof if it follows all Written Requests of Valley Water; and (ii) shall have no liability or responsibility to enforce compliance by Valley Water with the terms of this Section and the Tax Certificate; and (iii) may rely conclusively on Valley Water’s calculations and determinations and certifications relating to rebate matters; and (iv) shall have no responsibility to independently make any calculations or determinations or to review Valley Water’s calculations or determinations thereunder.

(i) Annual Computation. Within 55 days of the end of each Bond Year (as such term is defined in the Tax Certificate), Valley Water shall calculate or cause to be calculated the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any applicable exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in this Section or the Tax Certificate (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and the construction expenditures exception of Section 148(f)(4)(C) of the Code), and taking into account whether the election pursuant to Section 148(f)(4)(C)(vii) of the Code (the “1½% Penalty”) has been made), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “Rebatable Arbitrage”). Valley Water shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this Section.

(ii) Annual Transfer. Within 55 days of the end of each Bond Year, upon the Written Request of Valley Water an amount shall be deposited to the Rebate Fund by the Trustee from any Net Water Utility System Revenues legally available for such purpose (as specified by Valley Water in the aforesaid Written Request of Valley Water), if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with clause (i) of this subsection (a). In the event that immediately following the transfer required by the previous sentence, the amount then on deposit to the credit of the Rebate Fund exceeds the amount required to be on deposit therein, upon Written Request of Valley Water the Trustee shall withdraw the excess from the Rebate Fund and then credit the excess to the Payment Fund.

(iii) Payment to the Treasury. The Trustee shall pay, as directed by Written Request of Valley Water, to the United States Treasury, out of amounts in the Rebate Fund:

(A) Not later than 60 days after the end of: (X) the fifth Bond Year; and (Y) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebtable Arbitrage calculated as of the end of such Bond Year; and

(B) Not later than 60 days after the payment of all the Series 2025A Bonds, an amount equal to 100% of the Rebtable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebtable Arbitrage, computed in accordance with Section 148(f) of the Code and Section 1.148-3 of the Treasury Regulations.

In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, Valley Water shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source equal to such deficiency prior to the time such payment is due. Each payment required to be made pursuant to this subsection (a) shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T (prepared by Valley Water), or shall be made in such other manner as provided under the Code.

(b) Disposition of Unexpended Funds. Any funds remaining in the Rebate Fund after redemption and payment of the Series 2025A Bonds and the payments described in clause (iii) of subsection (a) above being made may be withdrawn by Valley Water and utilized in any manner by Valley Water.

(c) Survival of Defeasance. Notwithstanding anything in this Section to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance or payment in full of the Series 2025A Bonds.

Section 5.07. Application of Funds and Accounts When No 2025 Bonds are Outstanding. On the date on which all 2025 Bonds shall be retired hereunder or provision made therefor pursuant to Article X and after payment of all amounts due the Trustee hereunder, all moneys then on deposit in any of the funds or accounts (other than the Rebate Fund) established with the Trustee pursuant to this Indenture shall be withdrawn by the Trustee and paid to Valley Water for use by Valley Water at any time for any purpose permitted by law.

ARTICLE VI

PARTICULAR COVENANTS

Section 6.04. Extension of Payment of 2025 Bonds. Valley Water shall not directly or indirectly extend or assent to the extension of the maturity of any of the 2025 Bonds or the time of payment of any claims for interest by the purchase of such 2025 Bonds or by any other arrangement, and in case the maturity of any of the 2025 Bonds or the time of payment of any such claims for interest shall be extended, such 2025 Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the 2025 Bonds then Outstanding and of all claims for interest thereon which shall not have been so extended.

Section 6.05. Power to Issue 2025 Bonds and Make Pledge and Assignment. Valley Water is duly authorized pursuant to law to issue the 2025 Bonds, to enter into this Indenture and to pledge and assign the Water Utility System Revenues and other assets purported to be pledged and assigned under the Water Utility Parity System Master Resolution and this Indenture in the manner and to the extent provided in the Water Utility Parity System Master Resolution and this Indenture. The 2025 Bonds and the provisions of the Water Utility Parity System Master Resolution and this Indenture are and will be the legal, valid and binding special obligations of Valley Water in accordance with their terms, and Valley Water and the Trustee shall at all times, subject to the provisions of Article VIII and to the extent permitted by law, defend, preserve and protect said pledge and assignment of Water Utility System Revenues and other assets and all the rights of the 2025 Bond Owners under this Indenture against all claims and demands of all persons whomsoever.

Section 6.06. Tax Covenants. Notwithstanding any other provision of this Indenture, and except as may otherwise be approved by an opinion of Bond Counsel that the exclusion from gross income of interest on the Series 2025A Bonds will not be adversely affected for federal income tax purposes, Valley Water covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income with respect to the Series 2025A Bonds and specifically covenants, without limiting the generality of the foregoing, as follows:

(a) Private Activity. Valley Water will take no action or refrain from taking any action or make any use of the proceeds of the Series 2025A Bonds or of any other moneys or property which would cause the Series 2025A Bonds to be “private activity bonds” within the meaning of Section 141 of the Code;

(b) Arbitrage. Valley Water will make no use of the proceeds of the Series 2025A Bonds or of any other amounts or property, regardless of the source, or take any action or

refrain from taking any action which will cause the Series 2025A Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code;

(c) Federal Guarantee. Valley Water will make no use of the proceeds of the Series 2025A Bonds or take or omit to take any action that would cause the Series 2025A Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

(d) Information Reporting. Valley Water will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code necessary to preserve the exclusion of interest on the Series 2025A Bonds pursuant to Section 103(a) of the Code;

(e) Hedge Bonds. Valley Water will make no use of the proceeds of the Series 2025A Bonds or any other amounts or property, regardless of the source, or take any action or refrain from taking any action that would cause the Series 2025A Bonds to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless Valley Water takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income of interest on the Series 2025A Bonds for federal income tax purposes; and

(f) Miscellaneous. Valley Water will take no action or refrain from taking any action inconsistent with its expectations stated in the Tax Certificate executed by Valley Water in connection with the issuance of the Series 2025A Bonds and will comply with the covenants and requirements stated therein and incorporated by reference herein.

Section 6.07. Waiver of Laws. Valley Water shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of, any stay or extension law now or at any time hereafter in force that may affect the covenants and agreements contained in this Indenture or in the 2025 Bonds, and all benefit or advantage of any such law or laws is hereby expressly waived by Valley Water to the extent permitted by law.

Section 6.08. Further Assurances. Valley Water will adopt, make, execute and deliver any and all such further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the 2025 Bonds of the rights and benefits provided in this Indenture.

Section 6.09. Prosecution and Defense of Suits. Valley Water shall promptly, upon request of the Trustee or any 2025 Bond Owner, from time to time take such action as may be necessary or proper to remedy or cure any defect in or cloud upon the title to the Water Utility System or any part thereof, whether now existing or hereafter developing, shall prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and shall indemnify and save the Trustee (including all of its employees, officers and directors) and every 2025 Bond Owner harmless from all loss, cost, damage and expense, including attorneys’ fees, which they or any of them may incur by reason of any such defect, cloud, suit, action or proceeding.

Valley Water shall defend against every suit, action or proceeding at any time brought against the Trustee (including all of its employees, officers and directors) or any 2025 Bond Owner upon any claim by a 2025 Bond Owner or a third party arising out of the receipt, application or disbursement of any of the payments of principal of or interest on the 2025 Bonds or involving the

rights of the Trustee or any 2025 Bond Owner under this Indenture; provided that the Trustee or any 2025 Bond Owner at such party's election may appear in and defend any such suit, action or proceeding. Valley Water shall indemnify and hold harmless the Trustee and the 2025 Bond Owners against any and all liability claimed or asserted by any such person, arising out of such receipt, application or disbursement, and shall indemnify and hold harmless the 2025 Bond Owners against any attorneys' fees or other expenses which any of them may incur in connection with any litigation (including pre-litigation activities) to which any of them may become a party by reason of ownership of 2025 Bonds. Valley Water shall promptly reimburse any 2025 Bond Owner in the full amount of any attorneys' fees or other expenses which such Owner may incur in litigation or otherwise in order to enforce such party's rights under this Indenture or the 2025 Bonds, provided that such litigation shall be concluded favorably to such party's contentions therein.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES OF 2025 BOND OWNERS

Section 7.01. Events of Default. The following events shall be Events of Default:

(a) default by Valley Water in the due and punctual payment of the principal of or interest on any 2025 Bonds when and as the same shall become due and payable;

(b) default by Valley Water in the observance of any of the other agreements or covenants required herein to be performed by it, and such default shall have continued for a period of thirty (30) days after Valley Water shall have been given notice in writing of such default or, if such default is not reasonably susceptible to cure within thirty (30) days after notice thereof, such default shall have continued for a period of sixty (60) days;

(c) Valley Water shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of Valley Water seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of Valley Water or of the whole or any substantial part of its property; or

(d) declaration of an "event of default" under any Contract or Bond as provided by the terms of such Contract or Bond.

Section 7.02. Remedies Upon Event of Default. If any Event of Default specified in Section 7.01 shall occur and be continuing, any Owner and the Trustee shall have the following rights, for the equal benefit and protection of all Owners similarly situated:

(a) by mandamus or other suit or proceeding at law or in equity an Owner or the Trustee may enforce their rights against the Valley Water, Valley Water's Board of Directors, and any of Valley Water's officers, agents, and employees and compel them to perform and carry out their duties under the District Act, the Law and the agreements and covenants required to be performed by it or him contained herein;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Owners; or

(c) by suit in equity upon the happening of an Event of Default to require Valley Water and any member of Valley Water's Board of Directors to account as the trustee of an express trust.

Section 7.03. Application of Water Utility System Revenues and Other Funds After Default. If an Event of Default shall occur and be continuing, all Water Utility System Revenues thereafter received by Valley Water and amounts on deposit in the funds and accounts held under the Water Utility Parity System Master Resolution (other than amounts held in the Rebate Fund) shall be applied in the following order:

(i) to the payment, without preference or priority, and in the event of any insufficiency ratably without any discrimination or preference, of the fees, costs and expenses, if any of the Trustee, including reasonable compensation to their respective accountants and counsel;

(ii) to the payment of Operation and Maintenance Costs; and

(iii) to the payment of the entire principal amount of the unpaid 2025 Bonds and the unpaid principal amount of all Bonds and Contracts and the accrued interest thereon, with interest on the overdue installments at the rate or rates of interest applicable to the 2025 Bonds and such Bonds and Contracts if paid in accordance with their respective terms.

For avoidance of doubt, until all amounts due and payable on all Bonds and Contracts have been paid (when due or upon acceleration) no Water Utility System Revenues or amounts on deposit in the Water Utility Fund shall be applied to pay any amounts due and payable on any obligations payable from Water Utility System Revenues on a subordinate basis to Bonds and Contracts.

Section 7.04. Trustee to Represent 2025 Bond Owners. The Trustee is hereby irrevocably appointed (and the successive respective Owners of the 2025 Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney in fact of the Owners of the 2025 Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the 2025 Bonds or this Indenture and applicable provisions of law. Upon the occurrence and continuance of an Event of Default or other occasion giving rise to a right in the Trustee to represent the 2025 Bond Owners, the Trustee in its discretion may, and upon the written request of the Owners of a majority in aggregate principal amount of the 2025 Bonds then Outstanding, and upon being indemnified to its satisfaction therefor, shall proceed to protect or enforce its rights or the rights of such Owners by such appropriate action, suit, mandamus or other proceedings as it shall deem most effectual to protect and enforce any such right, at law or in equity, either for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or for the enforcement of any other appropriate legal or equitable right or remedy vested in the Trustee or in such Owners under the 2025 Bonds or this Indenture or any law; and upon instituting such proceeding, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver of the Water Utility System Revenues and other assets pledged under this Indenture, pending such proceedings. All rights of action under this Indenture or the 2025 Bonds or otherwise may be prosecuted and enforced by the Trustee without the possession of any of the 2025 Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding

instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such 2025 Bonds, subject to the provisions of this Indenture.

Section 7.05. 2025 Bond Owners' Direction of Proceedings. Anything in this Indenture to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the 2025 Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, and upon indemnification of the Trustee to its reasonable satisfaction, to direct the method of conduct in all remedial proceedings taken by the Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law and the provisions of this Indenture, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to 2025 Bond Owners not parties to such direction.

Section 7.06. Suit by Owners. No Owner of any 2025 Bonds shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture with respect to such 2025 Bonds, unless: (a) such Owners shall have given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of not less than fifty percent (50%) in aggregate principal amount of the 2025 Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) such Owner or Owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee shall have failed to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee; and (e) no direction inconsistent with such written request shall have been given to the Trustee during such sixty (60) day period by the Owners of a majority in aggregate principal amount of the 2025 Bonds then Outstanding.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of 2025 Bonds of any remedy hereunder or under law; it being understood and intended that no one or more Owners of 2025 Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture or the rights of any other Owners of 2025 Bonds, or to enforce any right under the 2025 Bonds, this Indenture, or applicable law with respect to the 2025 Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Owners of the Outstanding 2025 Bonds, subject to the provisions of this Indenture.

Section 7.07. Absolute Obligation of Valley Water. Nothing in this Section 7.07 or in any other provision of this Indenture or in the 2025 Bonds shall affect or impair the obligation of Valley Water, which is absolute and unconditional, to pay the principal of and interest on the 2025 Bonds to the respective Owners of the 2025 Bonds at their respective dates of maturity, or upon call for redemption, as herein provided, but only out of the Water Utility System Revenues and other assets pledged and assigned herein and in the Water Utility Parity System Master Resolution therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the 2025 Bonds.

Section 7.08. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Owners of the 2025 Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in

addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

Section 7.09. No Waiver of Default. No delay or omission of the Trustee or of any Owner of the 2025 Bonds to exercise any right or power arising upon the occurrence of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein.

ARTICLE VIII

THE TRUSTEE

Section 8.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to an Event of Default, and after the curing or waiving of all Events of Default which may have occurred, perform such duties and only such duties as are expressly and specifically set forth in this Indenture, and no implied covenants or duties shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(b) Valley Water may remove the Trustee at any time, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the 2025 Bonds then Outstanding (or their attorneys duly authorized in writing) or if at any time the Trustee shall cease to be eligible in accordance with subsection (e) of this Section, or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Trustee and thereupon Valley Water shall promptly appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to Valley Water and by giving the 2025 Bond Owners notice of such resignation by mail at the addresses shown on the Registration Books. Upon receiving such notice of resignation, Valley Water shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within ninety (90) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any 2025 Bond Owner (on behalf of himself and all other 2025 Bond Owners) may petition any court of competent jurisdiction at the expense of Valley Water for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing and delivering to Valley Water and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts,

duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of Valley Water or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, Valley Water shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, Valley Water shall mail or cause the successor trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each Rating Agency which is then rating the 2025 Bonds and to the 2025 Bond Owners at the addresses shown on the Registration Books. If Valley Water fails to mail such notice within fifteen (15) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of Valley Water.

(e) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a trust company, banking association or bank having the powers of a trust company, having a combined capital and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination for federal or state authority. If such bank, banking association or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such trust company, banking association or bank shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

Section 8.02. Merger or Consolidation. Any trust company, banking association or bank into which the Trustee may be merged or converted or with which it may be consolidated or any trust company, banking association or bank resulting from any merger, conversion or consolidation to which it shall be a party or any trust company, banking association or bank to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such trust company, banking association or bank shall be eligible under subsection (e) of Section 8.01, shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 8.03. Liability of Trustee.

(a) The recitals of facts herein and in the 2025 Bonds shall be taken as statements of Valley Water, and the Trustee shall not assume responsibility for the correctness of the same, or make any representations as to the validity or sufficiency of this Indenture or the 2025 Bonds, nor shall the Trustee incur any responsibility in respect thereof, other than as expressly stated herein in connection with the respective duties or obligations herein or in the 2025 Bonds assigned to or imposed upon it. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the 2025 Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee may become the Owner of 2025 Bonds with the same rights it would have if it were not

Trustee, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of 2025 Bond Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the 2025 Bonds then Outstanding.

(b) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

(c) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority (or such other percentage provided for herein) in aggregate principal amount of the 2025 Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(d) The Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(e) The Trustee shall not be deemed to have knowledge of any default or Event of Default hereunder or any other event which, with the passage of time, the giving of notice, or both, would constitute an Event of Default hereunder unless and until a Responsible Officer of the Trustee shall have actual knowledge of such event or the Trustee shall have been notified in writing, in accordance with Section 11.07, of such event by Valley Water or the Owners of not less than fifty percent (50%) of the 2025 Bonds then Outstanding. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by Valley Water of any of the terms, conditions, covenants or agreements herein of any of the documents executed in connection with the 2025 Bonds, or as to the existence of an Event of Default thereunder or an event which would, with the giving of notice, the passage of time, or both, constitute an Event of Default thereunder. The Trustee shall not be responsible for the validity, effectiveness or priority of any collateral given to or held by it.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, or in the exercise of any of its rights or powers.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of Owners pursuant to this Indenture, unless such Owners shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction. No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(h) Whether or not herein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Article VIII.

(i) The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the 2025 Bonds.

(j) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(k) The Trustee may execute any of the trusts or powers of this Indenture and perform any of its duties through attorneys, agents and receivers and shall not be answerable for the conduct of the same if appointed by it with reasonable care.

(l) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, which affect the Trustee's ability to perform its obligations hereunder, including, but not limited to, acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the Water Utility System Revenues, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(m) The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by secured e-mail, facsimile transmission or other similar secured electronic methods, provided, however, that, for purposes of this Indenture, an e-mail does not constitute a notice, request, or other communication hereunder but rather, the portable document format or similar attachment attached to such e-mail shall constitute a notice, request, or other communication hereunder and provided further that the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If Valley Water elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding the fact that such instructions conflict or are inconsistent with a subsequent written instruction. Valley Water agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(n) The Trustee shall not be concerned with or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

Section 8.04. Right to Rely on Documents. The Trustee shall be protected in acting upon any notice, resolution, requisition, request, consent, order, certificate, report, opinion, notes, direction, facsimile transmission, electronic mail or other paper or document believed by it to be

genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel of or to Valley Water, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

The Trustee may treat the Owners of the 2025 Bonds appearing in the Trustee's Registration Books as the absolute owners of the 2025 Bonds for all purposes and the Trustee shall not be affected by any notice to the contrary.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate, Request or Requisition of Valley Water and such Certificate, Request or Requisition shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Certificate, Request or Requisition, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

Section 8.05. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its respective possession and shall be subject at all reasonable times to the inspection of Valley Water, and any 2025 Bond Owner, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

Section 8.06. Compensation and Indemnification. Valley Water shall pay to the Trustee from time to time all reasonable compensation for all services rendered under this Indenture, and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Indenture.

Valley Water shall indemnify, defend and hold harmless the Trustee, its officers, employees, directors and agents from and against any loss, costs, claims, liability or expense (including fees and expenses of its attorneys and advisors) incurred to a 2025 Bond Owner or a third party without negligence or bad faith on its part, arising out of or in connection with the execution of this Indenture, acceptance or administration of this trust, including costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers hereunder. The rights of the Trustee and the indemnification obligations of Valley Water shall survive removal or resignation of the Trustee hereunder or the discharge of the 2025 Bonds and this Indenture.

ARTICLE IX

MODIFICATION OR AMENDMENT OF THE INDENTURE; WATER UTILITY PARITY SYSTEM MASTER RESOLUTION

Section 9.01. Amendments to Indenture Permitted.

(a) This Indenture and the rights and obligations of Valley Water, the Owners of the 2025 Bonds, and the Trustee may be modified or amended from time to time and at any time by an indenture or indentures supplemental thereto, subject to subsections (b) – (d) of this Section. No such modification or amendment shall: (1) extend the fixed maturity of any 2025 Bonds, or reduce the amount of principal thereof or premium (if any) thereon, or extend the time of payment, or change the rate of interest or the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the Owner of each 2025 Bond so affected; (2) reduce the percentage of Owners required to provide consent or direction under this Indenture or (3) reduce the percentage of owners of any Bonds or Contracts required to provide consent to amendments or modifications of the Water Utility Parity System Master Resolution as set forth in Section 9.05(a) below. Promptly after the execution by Valley Water and the Trustee of any Supplemental Indenture pursuant to this subsection (a), the Trustee shall mail a notice, setting forth in general terms the substance of such Supplemental Indenture, to each Rating Agency and the Owners of the 2025 Bonds at the respective addresses shown on the Registration Books. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Indenture.

(b) This Indenture and the rights and obligations of Valley Water, the Trustee and the Owners of the 2025 Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture if the Trustee shall receive an opinion of Bond Counsel to the effect that the provisions of such Supplemental Indenture shall not materially adversely affect the interests of the Owners of the Outstanding 2025 Bonds, including, without limitation, for any one or more of the following purposes:

(1) to add to the covenants and agreements of Valley Water contained in this Indenture other covenants and agreements thereafter to be observed, to pledge or assign additional security for the 2025 Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon Valley Water;

(2) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision, contained in this Indenture, or in regard to matters or questions arising under this Indenture, as Valley Water may deem necessary or desirable;

(3) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereunder in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute;

(4) to modify, amend or supplement this Indenture in such manner as to cause interest on the Series 2025A Bonds to remain excludable from gross income under the Code; and

(5) to make such other amendments or modifications as may be in the best interests of the Owners of the 2025 Bonds.

(c) The Trustee may in its discretion, but shall not be obligated to, enter into any such Supplemental Indenture authorized by subsections (a) or (b) of this Section which materially adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(d) Prior to the Trustee entering into any Supplemental Indenture hereunder, there shall be delivered to the Trustee an opinion of Bond Counsel stating, in substance, that such Supplemental Indenture has been adopted in compliance with the requirements of this Indenture and that the adoption of such Supplemental Indenture will not, in and of itself, adversely affect the exclusion of interest on the Series 2025A Bonds from federal income taxation and the 2025 Bonds from state income taxation.

Section 9.02. Effect of Supplemental Indenture. Upon the execution of any Supplemental Indenture pursuant to this Article, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of Valley Water, the Trustee and all Owners of 2025 Bonds Outstanding shall thereafter be binding upon, determined, exercised and enforced thereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.03. Endorsement of 2025 Bonds; Preparation of New 2025 Bonds. 2025 Bonds delivered after the execution of any Supplemental Indenture pursuant to this Article may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by Valley Water and the Trustee as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand on the Owner of any 2025 Bonds Outstanding at the time of such execution and presentation of his or her 2025 Bonds for such purpose at the Office of the Trustee or at such additional offices as the Trustee may select and designate for such purpose, a suitable notation shall be made on such 2025 Bonds. If the Supplemental Indenture shall so provide, new 2025 Bonds so modified as to conform, in the opinion of Valley Water and the Trustee, to any modification or amendment contained in such Supplemental Indenture, shall be prepared and executed by Valley Water and authenticated by the Trustee, and upon demand on the Owners of any 2025 Bonds then Outstanding shall be exchanged at the Office of the Trustee, without cost to any 2025 Bond Owner, for 2025 Bonds then Outstanding, upon surrender for cancellation of such 2025 Bonds, in equal aggregate principal amount of the same maturity.

Section 9.04. Amendment of Particular 2025 Bonds. The provisions of this Article shall not prevent any 2025 Bond Owner from accepting any amendment as to the particular 2025 Bonds held by such 2025 Bond Owner.

Section 9.05. Amendment to Water Utility Parity System Master Resolution. The Water Utility Parity System Master Resolution may be amended or modified by Valley Water by a supplemental resolution thereto with the consent of a majority of the owners of outstanding Bonds and Contracts; provided, however, that Valley Water may modify or amend the Water Utility Parity

System Master Resolution at any time without the consent of owners of outstanding Bonds and Contracts by a supplemental resolution thereto to: (i) add to the agreements and covenants of Valley Water other agreements and covenants to be observed, or to surrender any right or power therein reserved to Valley Water, or (ii) cure, correct or supplement any ambiguous or defective provision contained therein, or (iii) resolve questions arising thereunder as Valley Water may deem necessary or desirable, and which do not materially adversely affect the interests of the owners of outstanding Bonds and Contracts. Such amendment or modification shall be filed by Valley Water with the applicable Trustee for such outstanding Bonds or Contracts. Valley Water shall give notice of any such amendment or supplement to each Rating Agency then rating the 2025 Bonds.

ARTICLE X

DEFEASANCE

Section 10.01. Discharge of Indenture. The 2025 Bonds may be paid by Valley Water in any of the following ways, provided that Valley Water also pays or causes to be paid any other sums payable hereunder by Valley Water:

- (a) by paying or causing to be paid the principal of and interest and redemption premiums (if any) on such 2025 Bonds, as and when the same become due and payable;
- (b) by the deposit with the Trustee, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 10.03) to pay or redeem all 2025 Bonds then Outstanding; or
- (c) by delivering to the Trustee, for cancellation by it, all of the 2025 Bonds then Outstanding.

If Valley Water shall also pay or cause to be paid all other sums payable hereunder by Valley Water, then and in that case, at the election of Valley Water (as evidenced by a certificate of Valley Water filed with the Trustee, signifying the intention of Valley Water to discharge all such indebtedness and this Indenture), and notwithstanding that any such 2025 Bonds shall not have been surrendered for payment, all covenants, agreements and other obligations of Valley Water under this Indenture shall cease, terminate, become void and be completely discharged and satisfied. In such event, upon the Written Request of Valley Water, the Trustee shall execute and deliver to Valley Water all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over, transfer, assign or deliver all moneys or securities or other property held by it pursuant to this Indenture which are not required for the payment or redemption of such 2025 Bonds not theretofore surrendered for such payment or redemption to Valley Water.

Section 10.02. Discharge of Liability on 2025 Bonds. Upon the deposit with the Trustee, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 10.03) to pay or redeem any Outstanding 2025 Bonds (whether upon or prior to the maturity or the Redemption Date of such 2025 Bonds), provided that, if such Outstanding 2025 Bonds are to be redeemed prior to maturity, notice of such redemption shall have been given as provided in Article IV or provisions satisfactory to the Trustee shall have been made for the giving of such notice, then all liability of Valley Water in respect of such 2025 Bonds shall cease, terminate and be completely discharged, and the Owners thereof shall thereafter be entitled only to payment out of such money or

securities deposited with the Trustee as aforesaid for their payment, subject however, to the provisions of Section 10.04.

Valley Water may at any time surrender to the Trustee for cancellation by it any 2025 Bonds previously issued and delivered, which Valley Water may have acquired in any manner whatsoever, and such 2025 Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

Section 10.03. Deposit of Money or Securities with Trustee. Whenever in this Indenture it is provided or permitted that there be deposited with or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any 2025 Bonds, the money or securities so to be deposited shall be held by the Trustee in the funds and accounts established pursuant to this Indenture. Defeasance may be accomplished by depositing with the Trustee:

(a) lawful money of the United States of America in an amount equal to the principal amount of such 2025 Bonds and all unpaid interest thereon to maturity, except that, in the case of 2025 Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption shall have been given as provided in Article IV or provisions satisfactory to the Trustee shall have been made for the giving of such notice, the amount to be deposited or held shall be the principal amount of such 2025 Bonds and all unpaid interest and premium, if any, thereon to the Redemption Date; or

(b) Defeasance Securities the principal of and interest on which when due will, in the written opinion of an Independent Certified Public Accountant filed with Valley Water and the Trustee, provide money sufficient to pay the principal of and all unpaid interest to maturity, or to the Redemption Date (with premium, if any), as the case may be, on the 2025 Bonds to be paid or redeemed as directed by Valley Water as such principal, interest and premium, if any, become due, provided that in the case of 2025 Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in Article IV or provision satisfactory to the Trustee shall have been made for the giving of such notice;

provided, in each case, that: (i) the Trustee shall have been irrevocably instructed (by the terms of this Indenture or by Written Request of Valley Water) to apply such money to the payment of such principal, interest and premium, if any, with respect to such 2025 Bonds as directed by Valley Water; and (ii) Valley Water shall have delivered to the Trustee an opinion of Bond Counsel addressed to Valley Water and the Trustee to the effect that such 2025 Bonds have been discharged in accordance with this Indenture (which opinion may rely upon and assume the accuracy of the Independent Certified Public Accountant's opinion referred to above). The opinion of Bond Counsel and Independent Certified Public Accountant's opinion referred to above shall be acceptable in form and substance, and addressed, to Valley Water and the Trustee.

The 2025 Bonds shall be deemed Outstanding under this Indenture unless and until they are in fact paid and retired or the above criteria are met.

Section 10.04. Payment of 2025 Bonds After Discharge of Indenture. Notwithstanding any provisions of this Indenture, any moneys held by the Trustee in trust for the payment of the principal of, or interest on, any 2025 Bonds and remaining unclaimed for two (2) years after the principal of all of the 2025 Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Indenture), if such moneys were so held at such date, or two (2) years after the date of deposit of such moneys if deposited after said date when all of the 2025 Bonds

became due and payable, shall be transferred to the State and become subject to the escheat laws of the State free from the trusts created by this Indenture upon receipt of an indemnification agreement acceptable to Valley Water and the Trustee indemnifying the Trustee with respect to claims of Owners of 2025 Bonds which have not yet been paid, and all liability of the Trustee with respect to such moneys shall thereupon cease; provided, however, that before the transfer of such moneys to the State as aforesaid, the Trustee shall at the Written Request of Valley Water (at the cost of Valley Water), first mail to the Owners of 2025 Bonds which have not yet been paid, at the addresses shown on the Registration Books, a notice, in such form as may be deemed appropriate by the Trustee with respect to the 2025 Bonds so payable and not presented and with respect to the provisions relating to the transfer to the State of the moneys relating for the payment thereof.

ARTICLE XI

MISCELLANEOUS

Section 11.01. Liability Limited. Notwithstanding anything contained herein or in the Water Utility Parity System Master Resolution, Valley Water shall not be required to advance any moneys derived from any source of income other than the Net Water Utility System Revenues and the other funds provided herein for the payment of principal of and interest on the 2025 Bonds or for the performance of any agreements or covenants required to be performed by it contained herein. Valley Water may, however, advance moneys for any such purpose so long as such moneys are derived from a source legally available for such purpose and may be legally used by Valley Water for such purpose.

The obligation of Valley Water to pay the principal of and interest on the 2025 Bonds is a special obligation of Valley Water payable solely from such Net Water Utility System Revenues of the Water Utility System and other funds described herein and in the Water Utility Parity System Master Resolution, and does not constitute a debt of Valley Water or of the State of California or of any political subdivision thereof in contravention of any constitutional or statutory debt limitation or restriction. The 2025 Bonds are not secured by the taxing power of Valley Water.

Section 11.02. Successor Is Deemed Included in All References to Predecessor. Whenever in this Indenture either Valley Water or the Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Indenture contained by or on behalf of Valley Water or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 11.03. Limitation of Rights to Parties and 2025 Bond Owners. Nothing expressed or implied in this Indenture or in the 2025 Bonds is intended or shall be construed to give to any person other than Valley Water, the Trustee and the Owners of the 2025 Bonds, any legal or equitable right, remedy or claim under or in respect of this Indenture or any covenant, condition or provision therein or herein contained; and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of Valley Water, the Trustee and the Owners of the 2025 Bonds.

Section 11.04. Waiver of Notice; Requirement of Mailed Notice. Whenever in this Indenture the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. Whenever in this Indenture any notice shall be required to be given by mail, such

requirement shall be satisfied by the deposit of such notice in the United States mail, postage prepaid, by first class mail.

Section 11.05. Destruction of 2025 Bonds. Whenever in this Indenture provision is made for the cancellation by the Trustee and the delivery to Valley Water of any 2025 Bonds, the Trustee shall destroy such 2025 Bonds as may be allowed by law, and deliver a certificate of such destruction to Valley Water.

Section 11.06. Severability of Invalid Provisions. If any one or more of the provisions contained in this Indenture or in the 2025 Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Indenture and such invalidity, illegality or unenforceability shall not affect any other provision of this Indenture, and this Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. Valley Water hereby declares that it would have entered into this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issuance of the 2025 Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses or phrases of this Indenture may be held illegal, invalid or unenforceable.

Section 11.07. Notices. Any notice to or demand upon Valley Water or the Trustee shall be deemed to have been sufficiently given or served for all purposes by being sent by facsimile or email or by being deposited, first class mail, postage prepaid, in a post office letter box, addressed, as the case may be, to Valley Water at Santa Clara Valley Water District, 5750 Almaden Expressway, San Jose, California 95118, Attention: Treasury and Debt Officer (or such other address as may have been filed in writing by Valley Water with the Trustee) or to the Trustee at U.S. Bank Trust Company, National Association, One California Street, Suite 1000, San Francisco, California; Attention: Global Corporate Trust, Reference: Santa Clara Valley Water District, Series 2025A/B; Facsimile: (415) 677-3768. Notwithstanding the foregoing provisions of this Section 11.07, the Trustee shall not be deemed to have received, and shall not be liable for failing to act upon the contents of, any notice unless and until the Trustee actually receives such notice.

All notices, approvals, consents, requests and any communications to the Trustee hereunder must be in writing in English and must be in the form of a document that is signed manually or by way of an electronic signature (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other electronic signature provider acceptable to the Trustee). Electronic signatures believed by the Trustee to comply with the ESIGN ACT of 2000 or other applicable law shall be deemed original signatures for all purposes. If Valley Water chooses to use electronic signatures to sign documents delivered to the Trustee, Valley Water agrees to assume all risks arising out of its use of electronic signatures, including without limitation the risk of the Trustee acting on an unauthorized document and the risk of interception or misuse by third parties. Notwithstanding the foregoing, the Trustee may in any instance and in its sole discretion require that an original document bearing a manual signature be delivered to the Trustee in lieu of, or in addition to, any document signed via electronic signature.

Section 11.08. Evidence of Rights of 2025 Bond Owners. Any request, consent or other instrument required or permitted by this Indenture to be signed and executed by 2025 Bond Owners may be in any number of concurrent instruments of substantially similar tenor and shall be signed or executed by such 2025 Bond Owners in person or by an agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any

such agent, or of the holding by any person of 2025 Bonds transferable by delivery, shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee and Valley Water if made in the manner provided in this Section.

The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer.

The ownership of 2025 Bonds shall be proved by the Registration Books.

Any request, consent, or other instrument or writing of the Owner of any 2025 Bond shall bind every future Owner of the same 2025 Bond and the Owner of every 2025 Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or Valley Water in accordance therewith or reliance thereon.

Section 11.09. Disqualified 2025 Bonds. In determining whether the Owners of the requisite aggregate principal amount of 2025 Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, 2025 Bonds which are known by the Trustee to be owned or held by or for the account of Valley Water, or by any other obligor on the 2025 Bonds, or by any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, Valley Water or any other obligor on the 2025 Bonds, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination. 2025 Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such 2025 Bonds and that the pledgee is not a person directly or indirectly controlling or controlled by, or under direct or indirect common control with, Valley Water or any other obligor on the 2025 Bonds. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request, Valley Water shall certify to the Trustee those 2025 Bonds that are disqualified pursuant to this Section 11.09 and the Trustee may conclusively rely on such certificate.

Section 11.10. Money Held for Particular 2025 Bonds. The money held by the Trustee for the payment of the interest, principal or premium due on any date with respect to particular 2025 Bonds (or portions of 2025 Bonds in the case of registered 2025 Bonds redeemed in part only) shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owners of the 2025 Bonds entitled thereto, subject, however, to the provisions of Section 10.04 hereof but without any liability for interest thereon.

Section 11.11. Funds and Accounts. Any fund or account required by this Indenture to be established and maintained by the Trustee may be established and maintained in the accounting records of the Trustee, either as a fund or an account, and may, for the purposes of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account; but all such records with respect to all such funds and accounts shall at all times be maintained in accordance with corporate trust industry standards to the extent practicable for the protection of the security of the 2025 Bonds and the rights of every Owner thereof.

Section 11.12. Waiver of Personal Liability. No member, officer, agent, employee, consultant or attorney of Valley Water shall be individually or personally liable for the payment of the principal of or premium or interest on the 2025 Bonds or be subject to any personal liability or accountability by reason of the issuance thereof; but nothing herein contained shall relieve any such member, officer, agent, employee, consultant or attorney from the performance of any official duty provided by law or by this Indenture.

Section 11.13. Execution in Several Counterparts. This Indenture may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as Valley Water and the Trustee shall preserve undestroyed, shall together constitute but one and the same instrument.

Section 11.14. CUSIP Numbers. Neither the Trustee nor Valley Water shall be liable for any defect or inaccuracy in the CUSIP number that appears on any 2025 Bond or in any redemption notice. The Trustee may, in its discretion, include in any redemption notice a statement to the effect that the CUSIP numbers on the 2025 Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the 2025 Bond Owners and that neither Valley Water nor the Trustee shall be liable for any inaccuracies in such numbers.

Section 11.15. Choice of Law. THIS INDENTURE SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA.

IN WITNESS WHEREOF, Valley Water has caused this Indenture to be signed in its name by its Authorized Representative, and the Trustee, in token of its acceptance of the trusts created hereunder, has caused this Indenture to be signed in its corporate name by its officers thereunto duly authorized, all as of the day and year first above written.

The SANTA CLARA VALLEY WATER DISTRICT, an agency duly organized and existing under the laws of the State of California (“Valley Water”), for value received, hereby promises to pay to the Registered Owner specified above or registered assigns (the “Registered Owner”), on the Maturity Date specified above (subject to any right of prior redemption hereinafter provided for), the Principal Amount specified above, in lawful money of the United States of America, and to pay interest thereon in like lawful money from the interest payment date next preceding the date of authentication of this Bond (unless: (i) this Bond is authenticated after the fifteenth day of the calendar month preceding an interest payment date, whether or not such day is a Business Day, and on or before the following interest payment date, in which event it shall bear interest from such interest payment date; or (ii) this Bond is authenticated on or before November 15, 2025 in which event it shall bear interest from the Original Issue Date identified above; provided, however, that if as of the date of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on this Bond), at the Interest Rate per annum specified above, payable on December 1, 2025 and semiannually each June 1 and December 1 thereafter, calculated on the basis of a 360 day year composed of twelve 30 day months. Principal hereof and premium, if any, upon early

redemption hereof are payable by check of the Trustee upon presentation and surrender hereof at the Office of the Trustee (as defined in the hereinafter described Indenture) of U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Interest hereon is payable by check of the Trustee sent by first class mail on the applicable interest payment date to the Registered Owner hereof at the Registered Owner's address as it appears on the registration books of the Trustee as of the close of business on the fifteenth day of the month preceding each interest payment date (except that in the case of a registered owner of one million dollars (\$1,000,000) or more in principal amount, such payment may, at such registered owner's option, be made by wire transfer of immediately available funds to an account in the United States in accordance with written instructions provided to the Trustee by such registered owner prior to the fifteenth (15th) day of the month preceding such interest payment date). Capitalized terms not defined herein shall have the meanings set forth in the Indenture (as defined below) and if not in the Indenture, in the Water Utility Parity System Master Resolution (as defined below).

This Bond is not a debt of the State of California, or any of its political subdivisions (other than Valley Water), and neither the State, nor any of its political subdivisions (other than Valley Water), is liable hereon. This Bond is a revenue bond of Valley Water and the principal of and interest on this Bond are payable exclusively from the Net Water Utility System Revenues (as such term is defined in the Water Utility Parity System Master Resolution adopted by the Board of Directors of Valley Water on February 23, 2016, as amended (the "Water Utility Parity System Master Resolution") of the Water Utility System and other moneys pledged and assigned therefor under the Water Utility Parity System Master Resolution and the Indenture of Trust, dated as of May 1, 2025 (the "Indenture"), by and between Valley Water and the Trustee and Valley Water is not obligated to pay this Bond except from the Net Water Utility System Revenues and other funds described in the Indenture and in the Water Utility Parity System Master Resolution. Such pledge, together with the pledge created by all other Contracts and Bonds (as such terms are defined in the Water Utility Parity System Master Resolution), constitutes a first lien on Water Utility System Revenues and all amounts on deposit in the funds and accounts under the Water Utility Parity System Master Resolution to the extent set forth therein, and is subject to the application of Net Water Utility System Revenues in accordance with the terms of the Water Utility Parity System Master Resolution and the Indenture. The obligation of Valley Water to make payments in accordance with the Water Utility Parity System Master Resolution and the Indenture is a limited obligation of Valley Water as set forth in the Water Utility Parity System Master Resolution and the Indenture and Valley Water shall have no liability or obligation in connection herewith except with respect to such payments to be made pursuant to the Water Utility Parity System Master Resolution and the Indenture. The Bonds do not constitute an indebtedness of Valley Water in contravention of any constitutional or statutory debt limitation or restriction. This Bond is not secured by the taxing power of Valley Water.

This Bond is one of a duly authorized issue of bonds of Valley Water designated as the "Santa Clara Valley Water District Water System Revenue and Refunding Revenue Bonds, Series 2025A" (the "2025A Bonds"), and "Taxable Series 2025B" (the "2025B Bonds" and, together with the 2025A Bonds, the "Bonds") of an aggregate principal amount of _____ dollars (\$ _____), all of like tenor and date (except for such variation, if any, as may be required to designate varying series, numbers or interest rates). The Bonds are issued pursuant to the Santa Clara Valley Water District Act, Chapter 1405 of Statutes of 1951 of the State of California, as amended, the Law and the Refunding Bond Law, including all laws amendatory thereof and supplemental thereto. The Bonds are additionally issued pursuant to the Water Utility Parity System Master Resolution, the Indenture and the resolution authorizing the issuance of the Bonds. Reference is hereby made to the

Water Utility Parity System Master Resolution and the Indenture (copies of which are on file at the office of Valley Water) and all supplements thereto for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Water Utility System Revenues, and the rights thereunder of the Owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of Valley Water hereunder, to all of the provisions of which the Registered Owner of this Bond, by acceptance hereof, assents and agrees. The Bonds have been issued in fully registered form without coupons in denominations of \$5,000 or any integral multiple thereof.

The Bonds have been issued by Valley Water to pay, prepay and/or defease the Refunded Obligations, finance the acquisition and/or construction of certain equipment and facilities within Valley Water's Water Utility System, reimburse itself for costs previously expended to finance such equipment and facilities, refund certain obligations of Valley Water and pay costs of issuance of the Bonds, as more fully described in the Indenture.

This Bond and the interest, premium, if any, hereon and all other Bonds and the interest and premium, if any, thereon (to the extent set forth in the Water Utility Parity System Master Resolution and the Indenture) are special obligations of Valley Water, secured by a pledge and lien on and payable exclusively from the Net Water Utility System Revenues of the Water Utility System and other moneys pledged and assigned therefor under the Water Utility Parity System Master Resolution and the Indenture and Valley Water is not obligated to pay this Bond except from the Net Water Utility System Revenues and other funds described in the Indenture and in the Water Utility Parity System Master Resolution. As and to the extent set forth in the Water Utility Parity System Master Resolution and the Indenture, all of the Water Utility System Revenues are irrevocably pledged in accordance with the terms hereof and the provisions of the Water Utility Parity System Master Resolution and the Indenture, to the payment of the principal of and interest and premium (if any) on the Bonds.

The Indenture and the rights and obligations of Valley Water and of the Owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time by an indenture or indentures supplemental thereto. No such modification or amendment shall: (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or premium (if any) thereon, or extend the time of payment, or change the rate of interest or the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the Owner of each Bond so affected; (ii) reduce the percentage of Owners required to provide consent or direction under the Indenture or (iii) reduce the percentage of Owners of any Bonds or Contracts (as Bonds and Contracts are defined in the Water Utility Parity System Master Resolution) required to provide consent to amendments or modifications of the Water Utility Parity System Master Resolution as set forth in the Indenture. The Indenture and the rights and obligations of Valley Water, the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a supplemental indenture if the Trustee shall receive an opinion of Bond Counsel to the effect that the provisions of such supplemental indenture shall not materially adversely affect the interests of the Owners of the Outstanding Bonds.

The Water Utility Parity System Master Resolution may be amended or modified by Valley Water by a supplemental resolution thereto with the consent of a majority of the Owners of outstanding Bonds and Contracts (as Bonds and Contracts are defined in the Water Utility Parity System Master Resolution); provided, however, that Valley Water may modify or amend the Water Utility Parity System Master Resolution at any time without the consent of Owners of outstanding

Bonds and Contracts (as Bonds and Contracts are defined in the Water Utility Parity System Master Resolution) by a supplemental resolution thereto to the extent permitted in the Indenture.

The Bonds shall be subject to extraordinary redemption prior to their respective stated maturities, as a whole or in part on any date in the order of maturity as directed in a Written Request of Valley Water provided to the Trustee at least 30 days (or such lesser number of days acceptable to the Trustee in the sole discretion of the Trustee, such notice for the convenience of the Trustee) prior to such date in integral multiples of \$5,000 from Net Proceeds, upon the terms and conditions of, and as provided for in the Indenture, at a Redemption Price equal to the principal amount thereof multiplied by the Accreted Price, plus accrued interest thereon to the Redemption Date.

The [2025A] [2025B] Bonds shall be subject to redemption prior to their respective stated maturities, as a whole or in part on any date in the order of maturity as directed in a Written Request of Valley Water provided to the Trustee at least 30 days (or such lesser number of days acceptable to the Trustee in the sole discretion of the Trustee, such notice for the convenience of the Trustee) prior to such date, on or after June 1, 20__ at a Redemption Price equal to the principal amount thereof plus accrued interest thereon to the Redemption Date, without premium.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues of Valley Water or related public entities, which have been submitted to each of the Repositories or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. Valley Water shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, Valley Water shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds in a timely manner not more than ten (10) Business Days after the event:

8. ratings changes;
9. bankruptcy, insolvency, receivership or similar proceedings; and
10. default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation, any of which reflect financial difficulties.

Note: For the purposes of the event identified in subparagraph (9), the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governmental body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

(c) If Valley Water determines that knowledge of the occurrence of a Listed Event under Section 5(b) would be material under applicable federal securities laws, Valley Water shall file, or cause to be filed, a notice of such occurrence with EMMA in a timely manner not more than ten (10) Business Days after the event.

(d) While the failure to file a notice of the occurrence of a Listed Event under Section 5(a)(8) shall constitute non-compliance with the terms hereof and may be required to be disclosed by Valley Water in accordance with the Rule, failure shall not constitute an event of default hereunder if (i) Valley Water did not receive written notice of such rating change from the respective rating agency, (ii) the rating change was a result of a change in the rating of a liquidity or credit

enhancement and the market was generally aware of the change in the rating of such liquidity or credit enhancer or (iii) the rating agency filed a notice of such rating change with the Repository.

(e) For purposes of the events identified in subparagraphs (a)(10) and (b)(8), the term “financial obligation” means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term financial obligation shall not include municipal securities as to which a final official statement has been provided to the Municipal Securities Rulemaking Board consistent with the Rule.

If such termination occurs prior to the final maturity of the Bonds, Valley Water shall give, or cause to be given, notice of such termination in the same manner as for a Listed Event under Section 5(c).

SECTION 7. Dissemination Agent. Valley Water may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by Valley Water pursuant to this Disclosure Agreement. The Dissemination Agent may resign by providing thirty (30) days’ written notice to Valley Water; provided, however, that such resignation will not become effective until Valley Water has secured a successor Dissemination Agent in accordance with the terms of this Disclosure Agreement.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, Valley Water may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that, in the opinion of nationally recognized bond counsel, such amendment or waiver is permitted by the Rule. In the event of any amendment or waiver of a provision of this Disclosure Agreement, Valley Water shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by Valley Water. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(c), and (ii) the Annual Report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent Valley Water from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If Valley Water chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, Valley Water shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of Valley Water to file an annual report under Section 4 hereof or to file a report of a significant event under Section 5 hereof, any Owners or Beneficial Owners of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause Valley Water to make such filing. Notwithstanding the foregoing, no action may be undertaken by Owners or Beneficial Owners of the Bonds with respect to the accuracy of the information contained in any such filing or otherwise without the approval in writing of Owners or Beneficial Owners of at least 50% of the aggregate principal amount of the Bonds. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture or the Resolution, and the sole remedy under this Disclosure Agreement in the event of any failure of Valley Water to comply with this Disclosure Agreement shall be an action to compel performance.

No Owners or Beneficial Owners may institute such action, suit or proceeding to compel performance unless they shall have first delivered to Valley Water satisfactory written evidence of their status as Owners or Beneficial Owners and a written notice of and request to cure such failure, and Valley Water shall have refused to comply therewith within a reasonable time.

SECTION 15. Counterparts. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as an original but all of which shall constitute and be but one and the same instrument.

SECTION 16. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED UNDER THE LAWS OF THE STATE OF CALIFORNIA.

DATE AND DENOMINATION: The Bonds are to be issued in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”), and will be available in book-entry form only in denominations of \$5,000 or any integral multiples thereof, all dated as of the dated date of the Bonds, and comprising all of the authorized Bonds of a sale (either the 2025A Bonds or the 2025B Bonds).

PAYMENT: Payment of interest with respect to any Bond on each June 1 and December 1 (each, an “Interest Payment Date”), commencing December 1, 2025, shall be made to the person appearing on the registration books of the Trustee as the Owner thereof as of the Record Date (the close of business on the fifteenth day of the month preceding each Interest Payment Date, whether or not such fifteenth day is a business day) immediately preceding such Interest Payment Date, such interest to be paid by check mailed to such Owner on the Interest Payment Date at his or her address as it appears on such registration books or at such other address as he or she may have filed with the Trustee for that purpose on or before the Record Date.

It is anticipated that the Bonds will be issued in the name of Cede & Co., a nominee of DTC, and will be available in book-entry form only. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by participants of DTC will be the responsibility of such participants and other nominees of the beneficial owners. MATURITIES: The Bonds will mature or be subject to mandatory sinking fund redemption on the dates and in the amounts, as set forth in the respective Bid Form. In the event that the bid of the successful bidder specifies that any maturity of the Bonds will be term bonds, such term bonds will be subject to mandatory sinking fund redemption in part, by lot, on each June 1, in integral multiples of \$5,000 at a redemption price of the principal amount thereof plus accrued interest evidenced thereby to the date fixed for redemption, without premium.

SECURITY: The Bonds are secured by a pledge of and lien under the Water Utility Parity System Master Resolution and the Indenture on Valley Water’s Water Utility System Revenues and are payable from Net Water Utility System Revenues, all as more fully described in the Preliminary Official Statement.

TERMS OF SALE

Form of Bid; Maximum Discount/Premium

Each bid for Bid Group B must be for not less than all of the 2025B Bonds offered for sale. The purchase price for the 2025B Bonds must be not less than ____% of the par value thereof and not more than ____% of the par value thereof.

Each bid must be in accordance with the terms and conditions set forth in this notice. Bids must be submitted via PARITY®, all as described herein.

Designation of Interest Rates

Each bidder must specify the rate or rates of interest which the Bonds of a Bid Group shall represent. A bidder will be permitted to bid different rates of interest for the respective maturities of the Bonds of a given series, but

- (i) each interest rate specified for the 2025A Bonds must be in a multiple of one-twentieth (1/20) or one-eighth (1/8) of one percent (1%) and a zero rate of interest cannot be specified;
- (ii) each interest rate specified for the 2025B Bonds must be in a multiple of one-thousandth (1/1000) of one percent (1%) and a zero rate of interest cannot be specified;
- (iii) none of the 2025A Bonds maturing after June 1, 20__ shall have a rate of interest of less than ____ percent (____%) per annum;

- (v) all Bonds of a given series maturing at any one time shall represent the same rate of interest; and
- (vi) no proposal will be accepted which contemplates the waiver of any interest or other concession by the bidder as a substitute for payment in full of the purchase price.

Designation of Best Bid

The Bonds of a Bid Group will be awarded to the eligible and responsible bidder whose bid produces the lowest true interest cost (“TIC”) on the Bonds of such Bid Group (and without regard to any adjustment of the principal amount after the receipt of bids and described under the caption “Terms of Sale — Adjustment of Maturity Amounts”). The TIC specified in any bid will be that rate which, when used in computing the present worth of all payments of principal and interest to be paid on all Bonds in such Bid Group to _____, 2025*, the delivery date of the Bonds, from their respective maturity dates (or mandatory sinking fund redemption dates) produces an amount equal to the purchase price specified in such bid. For purposes of computing the TIC represented by any proposal, the purchase price specified in such proposal shall be equal to the par amount of the Bonds in such Bid Group plus any premium or minus any discount specified in such proposal, and the TIC shall be calculated by the use of a semiannual interval of compounding interest, computed on the basis of a 360-day year consisting of twelve 30-day months, based on the Interest Payment Dates for the Bonds

* Preliminary, subject to change.

in such Bid Group. In the event two or more bids offer the same lowest TIC, Valley Water reserves the right to exercise its own discretion and judgment in making the award.

Adjustment of Maturity Amounts

The principal components of each maturity of Bonds set forth in the Bid Forms reflect certain estimates of Valley Water and its Municipal Advisor with respect to the likely interest rates of the winning bid and the premium (or discount) contained in the winning bid. Following the determination of the successful bidder for the Bonds of a Bid Group (a “Purchaser”), Valley Water reserves the right to adjust the par amount of the Bonds (in \$5,000 increments) for the purpose of achieving its financing objectives. Any such adjustment shall not (1) cause the aggregate principal amount of the Bonds in such Bid Group to increase or decrease by more than 10____% from the total amount shown in the table titled “Maturity” in the Bid Forms or (2) change the principal amount of any maturity (or mandatory sinking fund redemption date) of a series by the greater of (a) \$____ or ____%. Any such adjustments will be made within 24 hours of the bid opening and at the sole discretion of Valley Water. The dollar amount bid for the Bonds of a Bid Group by a Purchaser will be adjusted to reflect any adjustments in the total principal amount. Any such adjustment may change the total (but not the per Bond) dollar amount of underwriter’s discount and aggregate premium or discount provided in such bid. A PURCHASER OF A BID GROUP MAY NOT WITHDRAW ITS BID OR CHANGE THE INTEREST RATES BID OR ANY INITIAL REOFFERING PRICES AS A RESULT OF ANY CHANGES MADE TO THE STATED PRINCIPAL AMOUNTS.

No Bond Insurance

A Purchaser of a Bid Group may not purchase municipal bond insurance in connection with the initial offering of the Bonds.

Right to Reject Bids, Waive Irregularities

Valley Water reserves the right to reject any and all bids, and to the extent permitted by law, to waive any irregularity or informality in any bid.

Prompt Award

In the event Valley Water accepts a bid of a Bid Group, Valley Water will give notice of the award by telephone or via PARITY® to the Purchaser not later than three hours after the time specified above for receipt of a particular bid. Upon the giving of such notice, the Bonds in such Bid Group shall be deemed sold to the bidder so notified.

Good Faith Deposit

A good faith deposit (“Deposit”) in the form of a wire transfer in immediately available federal funds is required within 90 minutes following the award to a Purchaser of their related Bid Group. Wiring instructions will be provided to a Purchaser shortly after the verbal award.

The Deposit for Bid Group A is \$_____.

The Deposit for Bid Group B is \$_____.

In the event a Purchaser fails to honor its accepted bid, their Deposit will be retained by Valley Water as and for full liquidated damages for the failure of such Purchaser to accept delivery of and pay for the Bonds in such Bid Group. The retention of such Deposit shall constitute a full release and discharge of all claims and rights of Valley Water against such Purchaser on account of such failure and a waiver of any right Valley Water may have to any additional damages for such failure. By submitting a bid, each Purchaser waives any right to claim that actual damages resulting from such failure are less than the amount of such Deposit, and agrees that the amount of such Deposit is a reasonable estimate of damages that Valley Water may suffer in the event of such failure.

If a Purchaser completes its purchase of the Bonds in a Bid Group on the terms stated in its proposal, its Deposit will be applied to the purchase price of the Bonds in such Bid Group on the date of delivery of the Bonds. No interest will be paid upon the Deposit made by each Purchaser.

Deliver and Payment; Book Entry Only

Delivery of the Bonds is expected to be made in the name of Cede & Co., as nominee of The Depository Trust Company in New York, New York on or about _____, 2025 and will be available to a Purchaser in book-entry form only as more fully set out in the Official Statement for the Bonds. Payment for the Bonds in a Bid Group must be made in Federal Reserve Bank funds or other funds immediately available to the Trustee in San Francisco, California. Any expense associated with providing immediate funds, whether by transfer of Federal Reserve Bank funds or otherwise, shall be borne by the Purchaser. The delivery of the Bonds of each Bid Group is not dependent on the delivery of the other Bid Group.

Right of Cancellation

A Purchaser shall have the right, at its option, to cancel its bid if Valley Water shall fail to issue the Bonds in such Bid Group and tender the same for delivery within 60 days from the date of sale thereof.

Statement of True Interest Cost

Each bidder is requested, but not required, to state in its proposal the TIC of its bid, which shall be considered as informative only and not binding.

CUSIP Numbers

Valley Water's Municipal Advisor will timely apply for CUSIP numbers for the Bonds and will submit the CUSIP numbers to Parity to be provided to all bidders. It is anticipated that CUSIP numbers will be printed on the Bonds in such Bid Group, but neither the failure to print such numbers on the Bonds in such Bid Group nor any error with respect thereto shall constitute cause for a failure or refusal by a Purchaser thereof to accept delivery of and pay for the Bonds in such Bid Group in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Bonds in a Bid Group shall be paid for by Valley Water, but the CUSIP Service Bureau charge for the assignment of said numbers shall be paid by the Purchaser in such Bid Group. A Purchaser shall also be required to pay all fees required by DTC, Bonds Industry and Financial Market Association, the Municipal Bonds Rulemaking Board, and any other similar entity imposing a fee in connection with the execution and delivery of the Bonds in such Bid Group.

Official Statement

Valley Water has approved a Preliminary Official Statement relating to the Bonds and has authorized the use of said Preliminary Official Statement in connection with the sale of the Bonds. The Preliminary Official Statement has been “deemed final” by Valley Water for purposes of SEC Rule 15c2-12 (the “Rule”), although subject to revision, amendment and completion in a final Official Statement in conformance with such Rule. Valley Water will provide a Purchaser an electronic version of the final Official Statement as such Purchaser may request no later than seven business days after the date of sale of the Bonds. Within 24 hours after Valley Water has given notice of the award of the Bonds of a Bid Group, a Purchaser of such Bid Group agrees to supply to Valley Water all necessary pricing information and any underwriter identification necessary to complete the Official Statement.

Valley Water, at its discretion, will electronically distribute the Official Statement on any date that is in compliance with the Rule, and at least one business day prior to the delivery of the Bonds. This paragraph will constitute a contract with each successful bidder upon acceptance of their bid by Valley Water, in compliance with the Rule.

Issue Price

The Purchaser of the 2025A Bonds shall assist Valley Water in establishing the issue price of the 2025A Bonds and shall execute and deliver to Valley Water in connection with the delivery of the 2025A Bonds, the Closing Issue Price Certificate described under “***Closing Issue Price Certificate***” herein, setting forth the reasonably expected initial offering price to the public or the sales price or prices of the 2025A Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of Valley Water and Stradling Yocca Carlson & Rauth LLP (“Stradling”).

Valley Water intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the 2025A Bonds) will apply to the initial sale of the 2025A Bonds (the “competitive sale requirements”) because:

- (1) Valley Water shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) Valley Water may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) Valley Water anticipates awarding the sale of the 2025A Bonds to the bidder who submits a firm offer to purchase the 2025A Bonds at the highest price (or lowest true interest cost), as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of the 2025A Bonds, as specified in the bid. As described in more detail in the following paragraphs, if the competitive sale requirements set forth in (3) above are not satisfied, Valley Water has determined to apply the hold-the-offering-price rule (as described in the second paragraph below)

to each applicable maturity of the 2025A Bonds, and the winning bidder agrees to comply with the hold-the-offering-price rule, in the manner described below.

Bidders should prepare their bids on the assumption that Valley Water will determine the issue price of the 2025A Bonds either based on the reasonably expected initial offering price to the public or by application of the hold-the-offering-price rule. By submitting a bid, bidders certify that it is an underwriter of municipal obligations who has an established industry reputation for underwriting new issuances of municipal obligations.

In the event the competitive sale requirements set forth in (3) above are not satisfied, the Purchaser of the 2025A Bonds is required to comply with the hold-the-offering-price rule. The Purchaser of the 2025A Bonds shall also confirm that any underwriters participating in the purchase of the 2025A Bonds have offered or will offer each maturity of the 2025A Bonds to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder. The Purchaser of the 2025A Bonds further shall agree, on behalf of any underwriters participating in the purchase of the 2025A Bonds, that the underwriters will neither offer nor sell unsold 2025A Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the 2025A Bonds to the public at a price that is no higher than the initial offering price to the public.

The Purchaser of the 2025A Bonds shall within one business day report to Valley Water, when the Purchaser of the 2025A Bonds or any underwriters participating in the purchase of the 2025A Bonds have sold 10% of that maturity of the 2025A Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date. For purposes of this paragraph, maturities with the same repayment terms, but separate CUSIPs, subject to the hold-the-offering price rule, will generally be treated as separate maturities for purposes of compliance with the hold-the-offering-price rule. The Purchaser of the 2025A Bonds shall cooperate with Valley Water and Stradling, including by providing requested information to assist in establishing the issue price of the 2025A Bonds and compliance with the hold-the-offering-price rule.

In making the representations set forth above, the Purchaser of the 2025A Bonds will confirm that:

(i) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which any winning bidder is a party) relating to the initial sale of the 2025A Bonds to the public, together with the related pricing wires, will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters or selling group agreement relating to the initial sale of the 2025A Bonds to the public, together with the related pricing wires, will contain language obligating each underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the 2025A Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the winning bidder or the underwriter and as set forth in the related pricing wires. By submitting a bid, each bidder confirms that sales of any 2025A Bonds to any person that is a related party to an underwriter participating in the initial sale of the 2025A Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Official Notice of Sale:

- (1) “public” means any person other than an underwriter or a related party to an underwriter,
- (2) “underwriter” means (A) any person that agrees pursuant to a written contract with Valley Water (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the 2025A Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the 2025A Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the 2025A Bonds to the public),
- (3) a purchaser of any of the 2025A Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (4) “sale date” means the date that the 2025A Bonds are awarded by the Valley Water to the Purchaser of the 2025A Bonds.

Closing Issue Price Certificate. As a condition of delivery of the 2025A Bonds, the Purchaser of the 2025A Bonds must submit to Valley Water a certificate (the “Closing Issue Price Certificate” further described below), substantially in the form attached in Exhibit A, with such modifications as may be appropriate or necessary in the reasonable judgment of Valley Water and Stradling. In making such representations, the Purchaser of the 2025A Bonds must reflect the anticipated existence, if any, of a “derivative product” (e.g., a tender option) offered or to be offered by the Purchaser of the 2025A Bonds or any affiliate in connection with the initial sale of any of the 2025A Bonds. The Purchaser of the 2025A Bonds shall also, if asked by Stradling, provide additional information necessary in the judgment of Stradling to determine issue price of the 2025A Bonds.

DTC Fee

All fees paid to DTC as a result of the use of DTC's book entry system for the Bonds in a Bid Group shall be paid by the Purchaser of such Bid Group.

California Debt and Investment Advisory Commission

The Purchaser of a Bid Group will be required to pay any fees due to the California Debt and Investment Advisory Commission ("CDIAC") under California law. CDIAC will invoice the Purchaser of a Bid Group after the delivery of the Bonds in such Bid Group.

Tax-Exempt Status

Stradling will render its opinion as to the 2025A Bonds that, under existing statutes, regulations, rulings and judicial decisions, and assuming the accuracy of certain representations and compliance with certain covenants and requirements, interest on the 2025A Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of calculating the federal alternative minimum tax imposed on individuals; however, it should be noted that, with respect to applicable corporations as defined in Section 59(k) of the Internal Revenue Code of 1986, as amended (the "Code"), interest (and original issue discount) with respect to the 2025A Bonds might be taken into account in determining adjusted financial statement income for purposes of computing the alternative minimum tax imposed on such corporations. Stradling will also render its opinion that interest on all the Bonds (including the Bonds of Bid Group B) is exempt from State of California personal income tax.

Legal Opinion

The legal opinion of Stradling, as Bond Counsel, approving the validity of the applicable Indenture, will be furnished to the Purchasers of the Bonds without cost. A copy of the legal opinions, certified by the official in whose office the original is filed, will be printed on each Bond at the expense of Valley Water.

Continuing Disclosure

In order to assist the Purchasers in complying with the Rule, Valley Water has committed to undertake, pursuant to Continuing Disclosure Agreements with respect to the Bonds, to provide certain annual financial information and notices of the occurrence of certain events, if material. Copies of the undertakings are set forth as appendices to the Preliminary Official Statement and will also be set forth in the final Official Statement. Valley Water will be required to deliver Continuing Disclosure Agreements in substantially the forms and containing substantially the same provisions as set forth in the Preliminary Official Statement, and the failure by Valley Water to deliver such documents in form and substance identical to the forms set forth in the Preliminary Official Statement will relieve the Purchasers of their obligation to purchase their related Bonds. See the Preliminary Official Statement under the caption "CONTINUING DISCLOSURE UNDERTAKING" for information with respect to Valley Water's prior compliance with undertakings pursuant to the Rule.

Closing Documents

Valley Water will furnish to the Purchasers at the closing of the Bonds: (i) a no-litigation certificate certifying that as of and at the time of delivery of the Bonds, there is no litigation or administrative proceeding pending or threatened concerning the validity of the Bonds, the security of the Bonds, the corporate existence of Valley Water or the title of the officers legally responsible for the authorization, execution and delivery of the Bonds of their respective offices; (ii) a certificate of authorized officials of Valley Water, stating to the best knowledge, information and belief of such officials, that the Preliminary Official Statement used in connection with the Bonds, did not on the date of sale, and the final Official Statement does not on the date of delivery (excluding certain information therein): (a) contain any untrue statement of a material fact; or (b) omit to state a material fact necessary in order to make the statements therein contained, in light of the circumstances under which they were made, not misleading; (iii) to each Purchaser, a receipt of the Trustee showing that the purchase price of the Bonds in their respective Bid Group has been received by the Trustee; and (iv) to the Purchaser of the 2025A Bonds, a certificate of Valley Water stating that on the basis of the facts, estimates and circumstances in existence on the date of delivery, it is not expected that the proceeds of the 2025A Bonds will be used in a manner that would cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code.

Right to Modify or Amend

Valley Water reserves the right to modify or amend this Official Notice of Sale including, but not limited to, the right to adjust and change the amortization schedule of the Bonds being offered as described above under the caption “Terms of Sale — Adjustment of Maturity Amounts;” however, such modifications or amendments shall be made not later than 1:00 p.m. (California time) one business day prior to the bid opening and communicated through notice delivered via MuniOS (www.munios.com), Refinitiv® TM3 (www.tm3.com), or by some other communication method as determined by Valley Water.

Postponement or Cancellation

Valley Water reserves the right to cancel at any time or postpone, from time to time, the date established for the receipt of bids. Any such cancellation or postponement will be announced by notice delivered via MuniOS (www.munios.com), Refinitiv® TM3 (www.tm3.com), or by some other communication method as determined by Valley Water prior to the date and time for receipt of bids. If any date fixed for the receipt of bids is postponed, any alternative sale date will be announced by notice delivered via MuniOS (www.munios.com), Refinitiv® TM3 (www.tm3.com), or by another communication method as deemed by Valley Water at least 24 hours prior to such alternative sale date. On any such alternative sale date, any bidder may submit a bid for the purchase of the Bonds in conformity in all respects with the provisions of this Official Notice of Sale except for the new date of sale and except for the changes announced at the time the new sale date and times are announced.

Additional Information

Copies of the current drafts of the Indenture and of this Official Notice of Sale, the Bid Form and the Preliminary Official Statement and any other pertinent information will be furnished to any potential bidder upon request made to Valley Water’s Municipal Advisor at: Public Resources Advisory Group, 11500 West Olympic Blvd., Suite 400, Los Angeles, California 90064, attention: Edmund Soong; phone 310-477-1453; email esoong@pragadvisors.com.

_____ (the “Purchaser”) is making these certifications in connection with the above-captioned obligations described in Schedule A attached hereto (the “Obligations”) and hereby certifies and represents the following, based upon the information available to it; provided, however, that (i) the Purchaser expresses no view regarding the legal sufficiency or the correctness of any legal interpretation made by Stradling Yocca Carlson & Rauth LLP (“Stradling”), (ii) nothing herein represents the interpretation of the Purchaser of any laws, and, in particular, regulations under the Internal Revenue Code of 1986, as amended (the “Code”), and (iii) the Purchaser expresses no view regarding the legal sufficiency of any representations made herein:

[IF 3 BIDS RECEIVED]

A. Issue Price.

1. On _____, 2025 the Purchaser won on a competitive basis the right to reoffer the Obligations.

2. As of the Sale Date, the reasonably expected initial offering prices of the Obligations to the Public by the Purchaser are the prices listed in Schedule A (the “Expected Offering Prices”). The Expected Offering Prices are the prices for the Maturities of the Obligations used by the Purchaser in formulating its bid to purchase the Obligations. The Purchaser has actually offered each of the Maturities of the Obligations at the Expected Offering Prices to the Public. Attached as Schedule B is a true and correct copy of the bid provided by the Purchaser to purchase the Obligations.

3. The Purchaser was not given the opportunity to review other bids prior to submitting its bid.

4. The bid submitted by the Purchaser constituted a firm offer to purchase the Obligations.

B. Defined Terms.

1. *Issuer* means the Santa Clara Valley Water District.

2. *Maturity* means Obligations with the same credit and payment terms. Obligations with different maturity dates, or Obligations with the same maturity date but different stated interest rates or CUSIP identification numbers, are treated as separate Maturities.

3. *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.

4. *Related Party* means any entity if an underwriter and the entity are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

[IF 3 BIDS NOT RECEIVED]

A. Initial Offering Price of the Hold-the-Offering-Price Maturities.

1. The Purchaser offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (the “Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Obligations is attached to this certificate as Schedule B.

2. By submission of its bid, the Purchaser has agreed that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, the Purchaser would neither offer nor sell any of the Obligations of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any third-party distribution agreement shall contain the agreement of each broker-dealer who is a party to the third-party distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Obligations during the Holding Period.

B. Defined Terms.

1. *Hold-the-Offering-Price Maturities* means those Maturities of the Obligations where the issue price was established under Treasury Regulations § 1.148-1(f)(2)(ii), as shown in Schedule A hereto as the “Hold-the-Offering-Price Maturities.”

2. *Holding Period* means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Purchaser has sold at least 10% of such Hold-the-Offering-

Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

3. *Issuer* is as defined in the attached Tax Certificate.

4. *Maturity* means Obligations with the same credit and payment terms. Obligations with different maturity dates, or Obligations with the same maturity date but different stated interest rates or CUSIP identification numbers, are generally treated as separate maturities for purposes of determining compliance.

5. *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter.

6. *Related Party* means any entity if an underwriter and the entity are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

7. *Sale Date* means the first day on which there is a binding contract in writing for the sale of a Maturity of the Obligations. The Sale Date of the Obligations is _____, 2025.

8. *Underwriter* means (i) any person that agrees pursuant to a written contract with the Issuer (or with Purchaser) to participate in the initial sale of the Obligations to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Obligations to the Public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Obligations to the Public).

Nothing herein represents our interpretation of any laws or regulations under the Code or the application of any laws to these facts. The undersigned is certifying only as to facts in existence on the date hereof.
