I am being told by Ms. Dennis that the claim was denied because it was past the six months. since the incident. The only defense for the late claim was that I did not know I had only 6 months to file a claim, otherwise you can be sure I would have done it on time.

Santa Clara Water District has always repair the damage done by the homeless thru out the years, and I sent several letters saying something big was bound to happen because the homeless were building bonfires every night and the fire department was being called almost nightly.

I do not think you need me to go thru the incident again, I am including the form I filled out and all the correspondence sent to me by Ms. Dennis.

I hope you will reconsider the decision.

Thank you very much

Re: Late Claim

Dear Ms. Vasquez:

The claim which was presented to the Santa Clara Valley Water District on April 16, 2024 is being returned because it was not presented within six (6) months after the event or occurrence as required by law. See sections 901 and 911.2 of the Government Code. Because the claim was not presented within the time allowed by law, no action was taken on the claim.

WARNING

Your only recourse at this time is to apply without delay to Valley Water's Board of Directors for leave to present a late claim. See sections 911.4 to 912.2, inclusive, and section 946.6 of the Government Code. Under some circumstances, leave to present a late claim may be granted. See Government Code section 911.6.

If you have any questions, you can contact the Risk Management Unit at (408) 630-2652 or at RiskManager@valleywater.org.
