Who: Santa Clara Valley Water District

What: Public hearing on the Engineer's Report and the Mitigated Negative Declaration

When: June 27, 2017
Item is time certain at 6:00 P.M.

Place: Santa Clara Valley Water District Board Room
5700 Almaden Expressway, San Jose, CA 95118

Why: The proposed work of improvement is described in the Coyote Warehouse Project Engineer's Report. The Report is on file at the Clerk of the Board of Directors, 5700 Almaden Expressway, San Jose, California and on the District's website:
<http://www.valleywater.org/PublicReviewDocuments.aspx>

The objective of the Coyote Warehouse Project is to design and construct a permanent, suitable storage facility for pump and pipeline parts on District-owned property.

At the time and place fixed for the public hearing, the Board of Directors will receive comments on the Engineer's Report for the Project and consider adopting the Project's Mitigated Negative Declaration prepared in accordance with California Environmental Quality Act. After considering the comments on the Engineer's Report, the Board will decide whether or not to proceed with the Project.
