I would like to

No Position--Comment Only

Comment Form

As a ratepayer and taxpayer in Santa Clara County, I'm concerned that Valley Water is moving forward with negotiations to purchase over 5,000 acres of farmland in central Merced County without any public discussion about the cost and purpose of this purchase. Therefore I request that a public hearing be scheduled in very short order so the public can comment and ask questions about the purpose of the project and which District funds will be used for this purchase.
