I believe Barbara Keegan is the best person to be the next Chair of SC Valley Water District. As an engineer, Barbara has the knowledge to assess large and complex water projects undertaken by SCVWD. As the current Vice Chair, she has proven experience collaborating with board members and the public conducting the business of SCVWD. Barbara's role as Chair would signal SCVWD is committed to promoting women in leadership positions.

I would have preferred to make these comments in person, so I hope you read these words with the passion and commitment in which they are written.
