ANNUAL CONFERENCE & EXPOSITION
INNOVATING THE FUTURE OF WATER

JUNE 11-14 | EXPOSITION: JUNE 12-14 | MANDALAY BAY CONVENTION CENTER | LAS VEGAS | USA

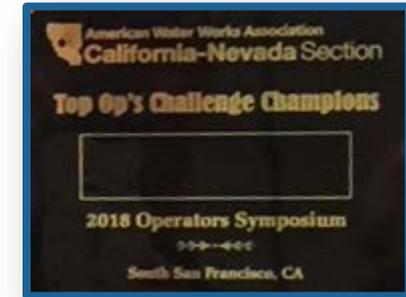

Top Ops is the "college bowl" of the water industry. Teams of one, two, or three water operators or lab personnel from all AWWA Sections compete against each other in a fast-paced question-and-answer tournament. A moderator poses a broad range of technical questions and math problems, and the team scoring the most points in the championship round is awarded the Top Ops Championship.
