I wanted to express my support for Barbara Keegan as board chair. I have known Barbara Keegan for over 20 years in both a professional and personal capacity. On a personal level, she's a great person of outstanding character and strong values. She brings those values to the office she serves. She takes public service seriously and is a great representative for her district. I am proud to see her on the board and know that she puts residents over politics. On a professional level, I worked with her at the City of San Jose for years. She brings to the board a technical background that is much needed. I can't think of a better candidate for chair than Barbara Keegan.
