

# Public Hearing to Consider Adoption of Resolution of Necessity: Coyote Creek Flood Protection Project

# Findings to be Made at RON Hearing

- Establish the public need for the project
- Establish that project is designed/located in a manner most compatible with greatest public good and least private injury
- Determine the property is necessary for the project
- Establish offer required by Section 7267.2 of the Government Code was made to record owner(s)
- Determine the Project use of the Property will not unreasonably interfere with the public use, consistent with the requirements of Cal. Code of Civ. Proc. § 1240.510

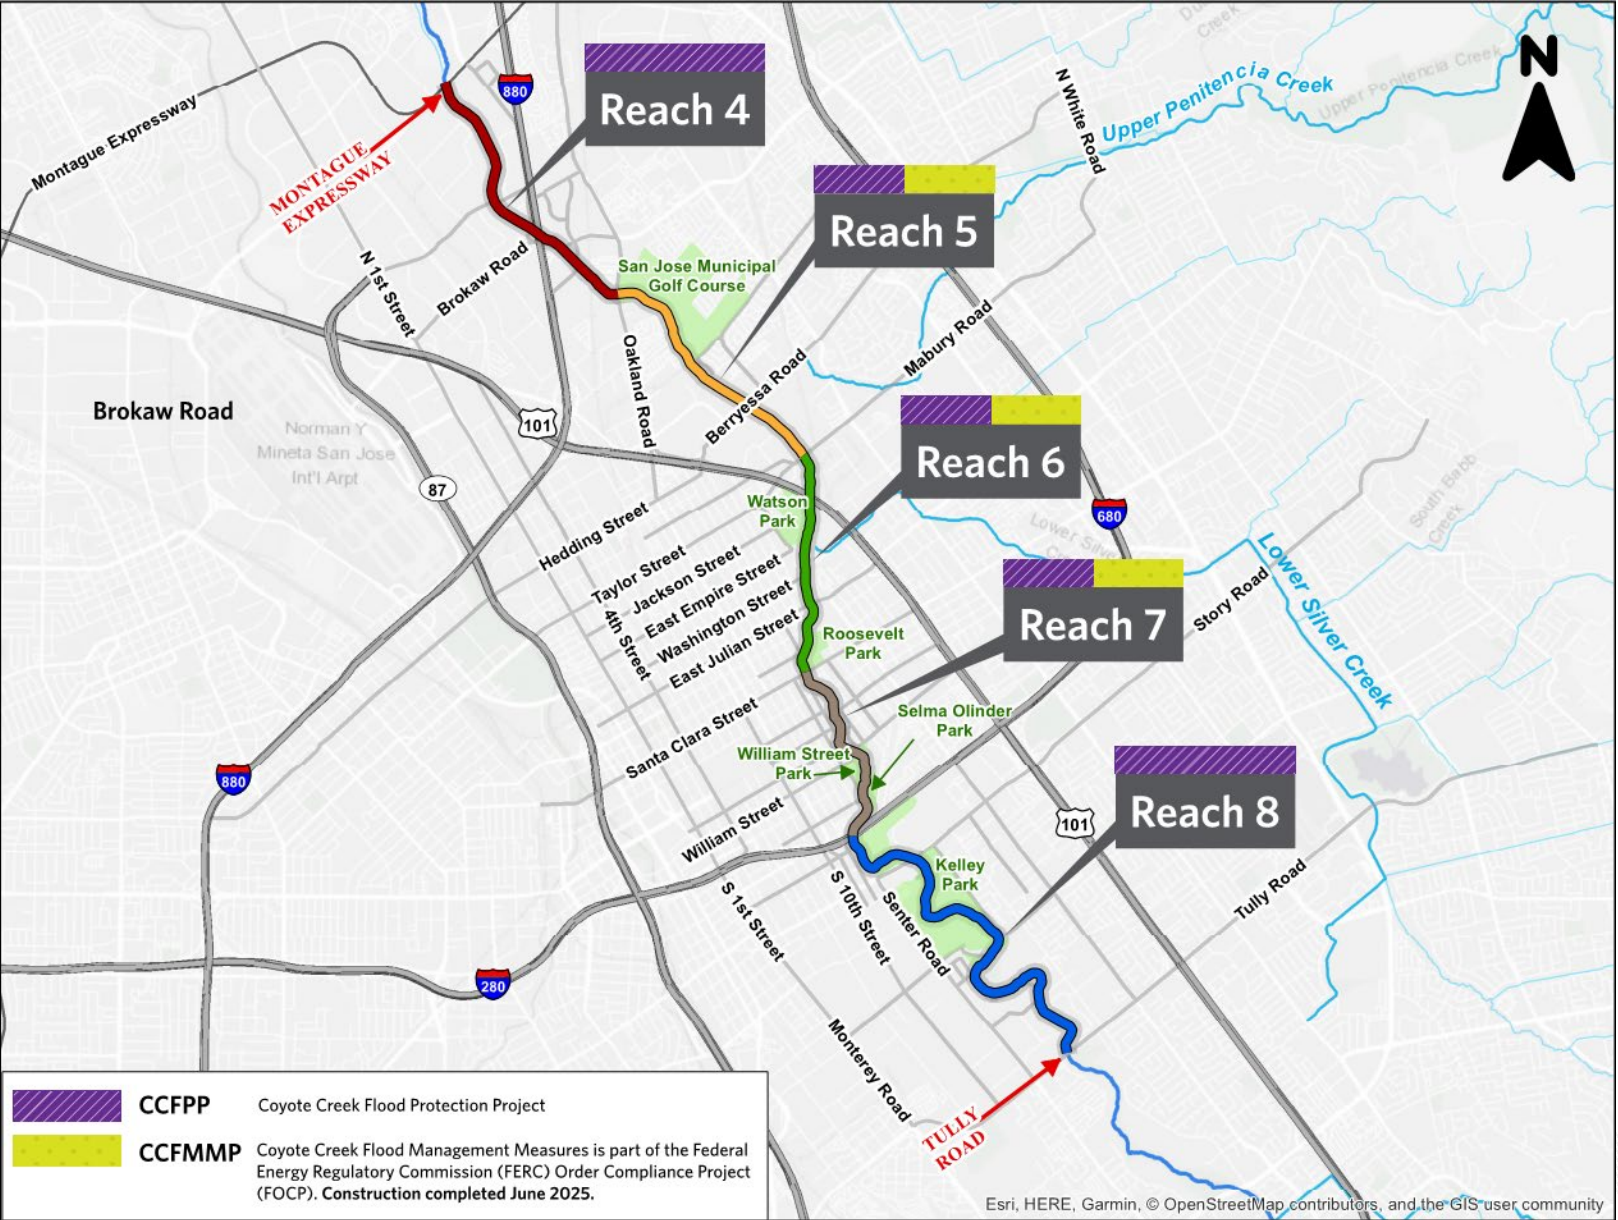

# Public Necessity for the Proposed Project

3

- **Finding: The public interest and necessity require the proposed project**
  - Provide flood protection from floods up to the level that occurred in February 2017 (approximately a 20-year flood event) along portions of Coyote Creek from Montague Expressway to Tully Road
  - Preserve creek's habitat
  - Reduce long-term maintenance

# Coyote Creek Flood Protection Project

# Existing Constraints on Project Design

- The geography and footprint of the creek determines which properties will be impacted
  - Private property and public parks are located on both sides of the creek
  - The creek flows through private property and public parks

# Project Design Serves the Greatest Public Good with the Least Private Injury

6

**Finding:** The proposed project is planned or located in a manner that will be most compatible with the greatest public good and the least private injury

- Holistic approach to project design
- Avoidance of public and private structures
  - Locating project features to minimize impacts to existing structures
- Preserve habitat
  - Minimize disturbance to native vegetation
  - Preserve aquatic habitat
- Align project features with existing creek alignment

# CEQA Compliance

- An Environmental Impact Report (EIR) was prepared by Valley Water as the lead agency.
- The final EIR was certified by the Valley Water board of directors on March 11, 2025.

# Property Acquisitions Necessary for Project

- Project requires acquisition of 62 Properties in Reaches 4, 5, 6, 7, & 8
- A Resolution of Necessity is proposed to acquire property interests over portions of 2 properties in Reach 7 owned by the following owners of record:
  - San Jose Unified School District

# San Jose Unified School District Property is Necessary for the Project

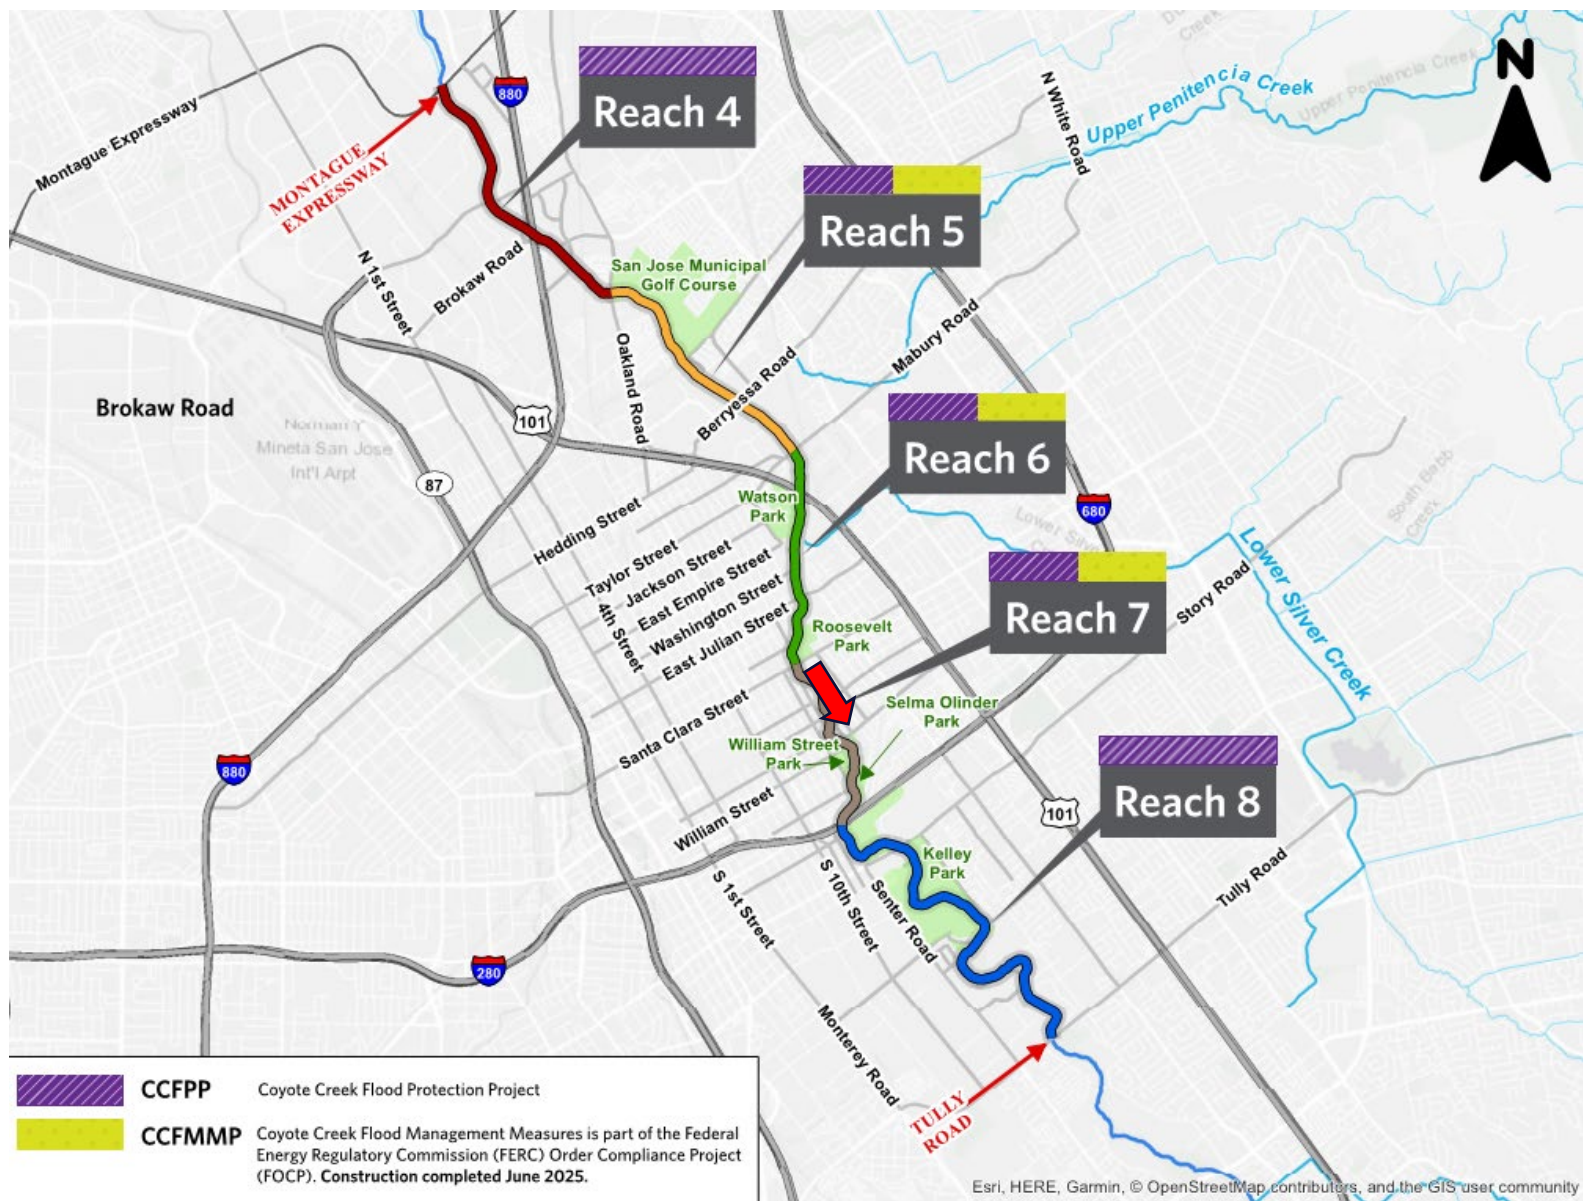

9

**Finding: The properties described in the resolution are necessary for the proposed project**

- This property is necessary for the project because floodwalls, passive barriers and the access path to construct/maintain the project features are on a portion of these properties.
- Construction activities also require that a separate portion of the properties be temporarily accessible to construct the project features.

# CCFPP on San Jose Unified School District Property:

12

- The passive barriers and floodwalls are located on San Jose Unified School District property.
- A portion of the area is to be acquired for access to and maintenance of the project features.
- The project features maintain access and minimize impacts to existing structures and recreation facilities.
- After project is constructed, the area will be returned to its existing use.

**Finding: The use of the Property for the Project will not unreasonably interfere with or impair any public use as it now exists or may reasonably be expected to exist in the future and, therefore, is compatible with any other public uses pursuant to Code of Civil Procedure Section 1240.510.**

# Gov. Code Section 7267.2(a) Offer

**Finding: The Offer of Just Compensation as Required by Section 7267.2(a) of the Gov. Code in an amount not less than the appraised value of the interest to be acquired has been made to the owners of record**

- On June 16, 2025, the District sent a final written offer to the Owner(s) via certified mail for the Full Amount established as Just Compensation.
- The amount of just compensation was not less than fair market value established by an approved appraisal
