

2025 Accomplishments: Santa Clara Valley Water Commission

Update: December 2025

The annual work plan establishes a framework for committee discussion and action during the annual meeting schedule. The Committee work plan is a dynamic document, subject to change as external and internal issues impacting the District occur and are recommended for committee discussion. Subsequently, an annual committee accomplishments report is developed based on the work plan and presented to the District Board of Directors.

**Blue = Action taken by the Board of Directors (BOD)*

BOARD WORK PLAN GOALS:

Integrated Water Resources Management - Goal: Efficiently manage water resources across business areas.

Water Supply – Goal: Provide a reliable, safe, and affordable water supply for current and future generations in all communities served.

Natural Flood Protection – Goal: Provide natural flood protection to reduce risk and improve health and safety.

Environmental Stewardship – Goal: Sustain ecosystem health while managing local water resources for flood protection and water supply.

Addressing Encampment of Unsheltered People – Goal: Humanely assist in the permanent relocation of unsheltered people on Valley Water lands along waterways and at water supply and flood risk reduction facilities in order to address the human health, public safety, operational, and environmental challenges posed by encampments.

Climate Change – Goal: Mitigate carbon emissions and adapt Valley Water operations to climate change impacts.

Business Management – Goal: Promote effective management of water supply, flood protection, and environmental stewardship through responsive and socially responsible business services.
