### Valley Water Advocates for Federal Priorities with U.S. Representative Zoe Lofgren

Staff joined Directors John Varela and Shiloh Ballard in San Jose in a meeting with U.S. Representative Zoe Lofgren (CA-18) to share updates on and advocate for continued support for the Anderson Dam Seismic Retrofit Project, Coyote Creek Flood Protection Project, and the Upper Guadalupe River Flood Protection Project. Rep. Lofgren provided valuable insight into the current federal outlook, including working with the administration and congressional leadership to advance shared priorities. Valley Water thanked her for her steadfast support of all our projects. Staff plans to schedule more of these in-district meetings with our congressional delegation in 2026.

## STATE ADVOCACY EFFORTS

### Senate Leadership and Committee Membership Update

President pro Tempore Monique Limón (D-Santa Barbara) recently announced Senate leadership and committee appointments for the remainder of the legislative session. Members of Valley Water's legislative delegation have received key assignments that closely align with Valley Water's priorities. Senator Josh Becker (D-Menlo Park) will serve as Chair of the Senate Natural Resources and Water Committee, a critical policy committee for water supply, flood protection, and environmental stewardship. Senator Aisha Wahab (D-Silicon Valley) was reappointed Assistant Majority Leader and also serves on the Senate Appropriations Committee, a key fiscal committee. Senator Dave Cortese (D-San Jose) continues to serve in leadership as an Assistant Majority Whip, and holds committee assignments relevant to infrastructure, local government, and public safety. In addition, Senator John Laird's (D-Santa Cruz) appointment as Chair of the Senate Budget and Fiscal Review Committee should be of benefit, given his deep experience on water issues and his strong working relationship with Valley Water.

The visit highlighted how the project's benefits extend into Council District 2, which includes southern San José and borders the City of Morgan Hill. The tour strengthened ongoing collaboration and provided Councilmember Campos and her team an opportunity to understand the project's impacts and learn more about Valley Water's work.
