Dear Members of the Board,

The entire community is disgusted with the racist, abusive, sexist behavior of Director Rebecca Eisenberg. I demand that she be held accountable for her behaviors and I demand her resignation.

How can you allow for a Director in a live meeting to tell a Black man that she is his overseer. Clearly she thinks she is a slave master. How can you allow for attacks on an Asian woman which the investigator verified happened to occur and not act. Her attacks on Black men, Latino men, Asian men and women, and multiple employees can not go without a strong punishment.

Please censure her, ask for her resignation, ask that the Grand Jury investigate her behavior and remove her from office, and take all of her pay and prevent her from attending any meetings on behalf of Valley Water. The employees and the entire community deserve better than people like this in office.

Thank you for your consideration of my requests.

Sincerely,

Vincent McDowell
