

**BOARD OF DIRECTORS
SANTA CLARA VALLEY WATER DISTRICT**

RESOLUTION NO. 2025-

COMMEMORATING MARCH 9-15, 2025, AS GROUNDWATER AWARENESS WEEK

WHEREAS, groundwater is an important natural resource that is vital for reliable water supply in Santa Clara County and elsewhere in California; and

WHEREAS, approximately half the water used annually in Santa Clara County is pumped from the groundwater subbasins to support the County's nearly two million residents and economy of Silicon Valley; and

WHEREAS, groundwater storage is the County's primary reserve against drought or other shortages; and

WHEREAS, thousands of wells in Santa Clara County supply groundwater for beneficial uses, including municipal, industrial, domestic, and agricultural uses; and

WHEREAS, important policy goals of the Santa Clara Valley Water District (Valley Water) are to manage groundwater to ensure sustainable supplies and avoid land subsidence, and to aggressively protect groundwater from the threat of contamination; and

WHEREAS, this groundwater policy goal includes minimizing land subsidence and degradation that could result if groundwater is depleted to the point that salt water from San Francisco Bay intrudes into the subbasin; and

WHEREAS, to achieve these groundwater policy goals, Valley Water comprehensively manages local and imported water supplies, including direct and indirect replenishment of the groundwater subbasins through conjunctive management of groundwater and surface water, and a variety of groundwater monitoring and protection programs; and

WHEREAS, strong support and cooperation of well owners, retail water agencies, land use planning agencies, local, state and federal water management partners, and all water users in Santa Clara County is vital to best protect and maintain groundwater; and

WHEREAS, Valley Water will work to increase groundwater awareness among all water users and stakeholders; and

WHEREAS, Valley Water is joining the National Groundwater Association, the California Department of Water Resources and other agencies in supporting National Groundwater Awareness Week March 9-15, 2025.

NOW, THEREFORE BE IT RESOLVED that the Board of Directors of the Santa Clara Valley Water District does hereby proclaim March 9-15, 2025, as Groundwater Awareness Week.
