TOTH day of JULY, 20 25

Government Code Section 945.6 provides that, with limited exceptions, any suit brought against a public entity must be commenced:

## I, Robert, declare:

1. I have personal knowledge of the facts contained in this document, and if called to testify, I could and would do so competently.

### Background

I grew up in the Bay Area. I grew up in Morgan Hill, moved to Texas for a little bit. I ended up coming back here because I'm familiar with the Bay. I became a truck driver during COVID and ended up getting let go. I was doing deliveries for Doordash and Postmates, which gave me enough money to get by. But Milpitas ended up taking my motorcycle because I couldn't get it registered here. After that, I ended up on the streets. Since then, I've experienced 7 to 8 sweeps.

I got my dog a little over a year ago as a puppy. His name is Stone. He just kind of fell in your lap. They took his toys, his food, even his dog bowl.

#### Location

In San Jose, on Autumn Parkway, in between Coleman and Julian.

Notice From and Communication With City or Agency Prior to Enforcement Action

They put up posters a few days or a week before the sweep. On the posters, they said they would have storages for 90 days for personal property.

### Day of Enforcement Action

There were a couple posting before the sweep itself. They cleared out the whole area. They showed up really early in the morning. I was sleeping in my tent. When they got there, they told us we had five minutes to get up and go. I got up, tried to grab as much important stuff as I possibly could and had to go. I was able to grab clothes, a few tools, what I could of my food, and my dog, Stone. They took the rest and put it in a garbage truck in front of us. They took mental [Type here]

health medications that belonged to an old lady who lived there, who is a diagnosed schizophrenic.

NBC news covered the sweep. You can look it up, titled "Crews clear homeless encampment in San Jose," dated May 19, 2025. # Harm Caused From City's Actions

I'm a mechanic and I do small engine repairs for people out here. They took all my tools, my generator. Every time I get stuff to make a living, they take it away from me. No matter what you say, they won't give it back to you.

I don't have my computer, my phone, my tools. I had personal pictures on my hard drive that aren't saved to a cloud. NCB

Losing pictures and other irreplaceable items from loved ones is a huge loss. It's like when you have those things those people are still with you and when you lose those things, they're gone. How do you put a price on that?

I declare under penalty of perjury under the laws of the State of California and the United States that the foregoing is true and correct. Executed in San Jose, CA on July 20,2025.
