I am writing as an individual in support of Director Barbara Keegan to be Chair of the Valley Water Board for 2024.

I have known Ms. Keegan for years, and have found her to be professional, informed, ethical, and able to collaborate well with others. She has well represented her district for years, and her engineering background makes her well suited for understanding and dealing with the technical issues that will come before the Board. Ms. Keegan is currently the Vice Chair, which by custom generally transitions into Chair the following year: to not do so now I feel would be a slight.

I urge the Board to select Director Keegan to be Chair of the Board for 2024.

Thank you.
