## Independent Auditor's Report

**To the Board of Directors  
of the Santa Clara Valley Water District  
San Jose, California**

We have audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statements of the Santa Clara Valley Water District (the District) as of and for the year ended June 30, 2023, and have issued our report thereon dated December 20, 2023.

In connection with our audit, nothing came to our attention that caused us to believe that the District failed to comply with the terms, covenants, provisions or conditions as described in the Flood Control System Master Resolution 94-60 dated June 23, 1994, the Trust Agreements dated November 1, 2012 and March 1, 2017, and the Installment Purchase Agreement dated June 15, 1994, which are summarized in Appendix B of the Certificates of Participation 2012 Series A official statement dated November 13, 2012 and Appendix B of the Certificates of Participation 2017 Series A official statement dated February 14, 2017, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters might have come to our attention regarding the District's noncompliance with the terms, covenants, provisions or conditions of the Flood Control System Master Resolution, the Trust Agreements and the Installment Purchase Agreement as referenced above, insofar as they relate to accounting matters.

This report is intended solely for the information and use of the Board of Directors of the Santa Clara Valley Water District, the Board of Directors of the District Public Facilities Financing Corporation, and District management and is not intended to be and should not be used by anyone other than these specified parties.
