Comments:	CEO Bulletin for the Week of September 9-15, 2016. Award of Title XVI Funding from the United States Department of the Interior, Bureau of Reclamation. I had to go back to a consent item on 11/24/2015 to Authorize Application for Funding to find a definition of the South Santa Clara County Recycled Water Project. Now I know that this is Gilroy recycled water and not Expedited Purified recycled water. The Project is a combination of two separate projects in the District's Capital Improvement Program, Project No. 91094008 - Recycled Water South County Master Plan - Short Term 1A (Phase 1A) and Project No. 91094009 - South County Recycled Water Pipeline - Short Term 1B (Phase 1B/2A).
