Field Information for X6504

X6504 - MSCI ESG Rating (MSCI_ESG_RATING)

Provides company's final Environmental, Social & Governance (ESG) Rating. To arrive at a final letter rating, the weighted average of the key issue scores are aggregated and companies are ranked from best (AAA) to worst (CCC). MSCI ESG Research Limited Liability Company (LLC) provides in-depth research, ratings and analysis of the environmental, social and governance-related business practices of thousands of companies worldwide. MSCI ESG Research products and services are designed to provide critical insights that can help institutional investors identify risks and opportunities that traditional investment research may overlook. This field is part of the MSCI ESG Research Ratings offering. All values and field definitions have been provided by
