

July 9, 2018

Mr. Alberto Sevilla
Principal
Alisto Engineering Group, Inc.
2737 N. Main Street, Suite 200
Walnut Creek, CA 94597

Subject: Installation of Corrosion Rectifiers and Deep-Well Anodes on the Santa Clara
Conduit, Contract No. C0632, Project No. 95084002
Project Completion Letter

Dear Mr. Sevilla:

The District is in receipt of the Project Completion Certification (per Article 21.01.05.B), dated June 20, 2018 from Alisto Engineering Group.

All work for the project has been completed as attested by the District staff and all documents required for acceptance have been received.

This serves as the Project Completion Letter (Article 21.01.05.D). In accordance with Article 21.01.06, Acceptance of Work, I will recommend that the District Board of Directors formally accept the contract.

If you have any questions, contact me at District's Santa Teresa Office at (408) 630-3794.

Sincerely,

Timothy M. Bramer, P.E.
Construction Manager
Construction Services Unit
