

**TO:** Board of Directors

**FROM:** Safe Clean Water  
Independent Monitoring  
Committee

**SUBJECT:** Safe Clean Water Independent Monitoring  
Committee Meeting Summary for  
September 11, 2025

**DATE:** February 10, 2026

---

This memorandum summarizes agenda items from the special meeting and site visits of the Safe Clean Water Independent Monitoring Committee held on September 11, 2025.

**IMC COMMITTEE TOUR OF VARIOUS VALLEY WATER PROJECTSITES**

The Committee departed Valley Water headquarters at 8:55 a.m. and took an in-person tour of the following sites:

- Coyote Creek Flood Protection Project
- Anderson Dam Seismic Retrofit Project
- Hale Creek Enhancement Pilot Project
- Saratoga Creek Hazard Tree Removal and Restoration Project

The Committee took no formal action and adjourned at the conclusion of the site visit at the Saratoga Creek Hazard Tree Removal and Restoration Project.

Board member comments and suggestions can be forwarded to Dave Leon, Assistant Deputy Clerk II at (408) 630-2006 or by email to [daveleon@valleywater.org](mailto:daveleon@valleywater.org)
