

MEMORANDUM

FC 14

TO: Board of Directors

FROM: SPOC

SUBJECT: Stream Planning and Operations
Committee (SPOC)
May 13, 2026 Special Meeting
Summary

DATE: *June 23, 2026*

This memorandum summarizes discussion and action from the special meeting of the Stream Planning and Operations Committee (SPOC) held on May 13, 2026.

Receive and Discuss the 2026 Stream Planning and Operations Committee (SPOC) Work Plan, and Make Adjustments as Necessary; and Confirm the Next Meeting Date.

The Committee received the information without discussion and took no formal action.

Tour of Completed Restoration Projects on Stevens Creek.

The Committee departed Valley Water Headquarters for a tour of completed restoration projects at McClellan Ranch Preserve and Blackberry Farm Park in Stevens Creek in Cupertino, California. One Committee member was in attendance, Chairperson Ballard, thus quorum was lost. The next special meeting is scheduled to be determined.

**

Board member comments and suggestions can be forwarded to Stephanie Simunic, Assistant Deputy Clerk II at (408) 630-2408 or by email to ssimunic@valleywater.org.

Shiloh Ballard
Director, District 2
SPOC Chairperson
