

**Draft Pilot Mural Art Project Design**

Please note that there will be minor modifications to the design. The dam will be changed to an earthen composition and all plants/animals will be native species. When the design is painted by hand on the wall, the colors and proportions may have slight variations and refinements. The Youth Commission signature will be placed in a bottom corner of the design.

**Location:** Blossom Hill Annex, 1020 Blossom Hill Road, San Jose, CA 95118
