### **RECOMMENDATION:**

Accept the Annual Comprehensive Financial Report for the Fiscal Year Ended June 30, 2022, and other Independent Auditor's Reports.

### **SUMMARY:**

The Annual Comprehensive Financial Report (ACFR) for the fiscal year ended June 30, 2022, was audited by Santa Clara Valley Water District's (Valley Water) external auditor, Vasquez and Company. Staff expects that the auditor will report that there were no material financial findings or internal control weaknesses. Staff expects the auditor to issue an unmodified ("clean") opinion stating that Valley Water's financial statements are fairly presented in conformity with Generally Accepted Accounting Principles (GAAP), as established by the Governmental Accounting Standards Board (GASB). The auditor prepares additional assurance letters and reports, in accordance with attestation standards established by the American Institute of Certified Public Accountants. The FY 2021-22 ACFR and additional assurance letters and reports will be provided via a supplemental agenda item that will be available on January 20, 2023.

The ACFR complies with the following requirements:

1. Board Policy BL-5.2 which requires the monitoring and reporting of financial conditions and activities to be performed annually by an external method.
2. State Law (Government Code Section 26909) which requires an annual examination and audit of Valley Water's financial records.

Each year since 1997, Valley Water has been awarded the prestigious Certificate of Achievement for Excellence in Reporting by the Government Finance Officers Association of the United States and Canada (GFOA), including most recently for the 2021 fiscal year.

The Board Audit Committee discussed the ACFR at their meeting on December 9, 2022 and

recommends acceptance by the full Board.
