

MEMORANDUM

FC 14 (01-02-07)

TO: Board Ethics & Conduct Ad Hoc Committee

SUBJECT: Reporting Alleged Misconduct of Director
Eisenberg

FROM: Nai Hsueh, Board Chair

DATE: 02/02/24

With this memo I am reporting alleged misconduct of Director Eisenberg on Monday, January 29, 2024, as reported in the attached memo from Rick Callender, CEO.

Per GP-6.10, I'm requesting that the committee convene to consider whether Director Eisenberg should be Censured. The alleged misconduct is detailed in the attached memo. The reason I am requesting your consideration of Censure is due to the mishandling of confidential information, as listed the Code of Conduct, Section A (9), and the violation of the employees' legitimate right to privacy and the resulting environment of fear of retaliation by her alleged misconduct.
