3.5

I would like to

Express Support

Comment Form

Sending strong support for the establishment of the "Water Resources Protection Zones" (WRPZ) ordinance- Agenda Item 3.5 on today meeting's agenda. This ordinance is a crucial step towards reducing encampments and preventing re-encampments along our creeks and waterways.

The proposed WRPZ ordinance will help protect our valuable water resources and ensure the safety and cleanliness of our environment.

Thank you!
