I am requesting the opportunity to speak at the Board of Director's special meeting on January 26, 2016 regarding item 2.2 (California WaterFix). I understand that the invited speakers only represent supporters of the agenda item, and I would appreciate the opportunity to have 10 minutes to provide an alternative view point on this agenda item to the Board of Directors.

Please let me know if you have any questions or need any additional information. I greatly appreciate your consideration of this request.

Sincerely,
Doug
