RE: Santa Clara Valley Water District Five-Year Capital Improvement Program

Dear Ms. Camacho:

Thank you for providing a copy of Santa Clara Valley Water District's Draft FY 2017-2018 Capital Improvement Program (CIP) to the Los Altos Hills Public Works Department. We also appreciate SCVWD staff meeting with us on April 27 to provide more information about local projects that are included in the CIP.

The District's FY2017-18 CIP appears to be consistent with the Town's General Plan and staff has no objections to the proposed CIP. The Town appreciates the opportunity to review the CIP, and welcomes the opportunity to review and comment on future CIP's. If you have any questions, please contact Public Works Director Allen Chen or myself.

Sincerely,

Good morning Erwin,

Thanks for meeting with water district staff on April 19. I am just following up if you have had a chance to provide a letter stating that the water district's 5-yr CIP is consistent with your agency's General Plan. Water district staff is presenting the CIP to our Board next Tuesday, May 9, and it would be great if we receive a letter from your agency. I can provide a sample letter if needed.
