

April 26, 2017

William Faoro, P.E.
Project Manager
Brosamer & Wall, Inc.
1777 Oakland Boulevard, Suite 110
Walnut Creek, CA 94596

Ref: Lower Berryessa Creek Flood Protection, Phase 1
Contract No. C0604. District letter No. 38

Subject: Project Completion Letter

Dear Mr. Faoro,

In accordance with Contract Specifications Section 21.01.05. *Project Completion*, this serves as the Project Completion Letter for the subject contract and establishes the completion of the project.

A Final Inspection for the subject project was performed on December 31, 2016. Completion of all deficiency list items has been attested to by the District Staff.

The District is in receipt of the Project Completion Certification, dated April 12, 2017 from Brosamer and Wall, Inc., Letter No. 027.

Therefore, in accordance with Contract Specification Section 21.01.06. *Acceptance of Work*, District staff will recommend that the District Board of Directors formally accept the Work for this contract.

Sincerely,

Ted Ibarra, P.E.
Associate Civil Engineer
