Staff is to come back with information on whether AB 646 requires cities to notify the public before developing in a floodplain
R-17-0023

Assembly Bill 646, authored by Assemblymember Ash Kalra, would require tenants to be notified when signing a new lease that the property is located in a special flood hazard area or an area of potential flooding. The bill also would require tenants to be provided information on available flood insurance for renters.

As amended July 3, 2017, AB 646 does not require cities, counties, or special districts to notify the public when they are building in a flood plain.

Santos

**Staff to come back with info on whether transfer to Trump admin resulted in personnel changes among scientists contributing to DFW and NMFS CA WaterFix biological opinions
R-17-0024**

The water district found no evidence that the transfer to the Trump administration resulted in personnel changes among scientists contributing to Department of Fish and Wildlife and National Marine Fisheries Service's California WaterFix biological opinions.

For further information, please contact Rachael Gibson at 408-630-2884.

LeZotte

**Staff is to investigate whether there is a need for additional staffing to handle the construction management-- watersheds rehabilitation program priorities
