Board Item Number:	2.2
I would like to:	No Position-Comment Only
Comments:	Dear Board, Four trivial comments on the budget. --- 1) Water Revenue: I suggest you separate surface water revenues from recycled water revenues. I expect surface is small and trending down while recycled is large and trending up. --- 2) District Counsel 2019 Milestones: "Secure Non-Owned Aircraft". I wondered what is Secure Aircraft versus Non-Secure Aircraft. A better synonym might be "Obtain". --- 3) Community Projects Review 2018 Accomplishments: Participation in TAC. This is the VTA TAC. And I am happy to see you seated at the table with the 15 cities, County, CalTrans, and MTC. --- 4) External Affairs 2018 Accomplishments: First Lego League. It was great that you celebrated the teams at the last Board meeting. But I have never known what the competition was about. You missed an opportunity to have posters of the projects and a few sentences describing the projects and how the District helped these young scientific minds. --- Regards, DougM
