The Honorable Richard Tran
Mayor of the City of Milpitas
City of Milpitas
455 East Calaveras Boulevard
Milpitas, CA 95035

Subject: Amendment No. 1 to the Joint Use Agreement between City of Milpitas and
Santa Clara Valley Water District for Portions of Lower Penitencia Creek and
Penitencia East Channel

Dear Mr. Tran:

The Santa Clara Valley Water District (District) Board of Directors approved the request from the City of Milpitas (City) to amend the existing Joint Use Agreement to allow the City to construct an additional 1,100 feet of trail along the Penitencia East Channel between Lundy Place and 250 east of McCandless Drive.

The District is happy to be able to partner with the City to provide opportunities for recreational use of public land owned by the District and this is an excellent example of how governments can work together to expand services to the public.

Enclosed is the fully executed agreement for your records.

Sincerely,

Richard P. Santos
Chair/Board of Directors
