Matthew Peyton  
Structural Group, Inc.  
10150 Old Columbia Road  
Columbia, MD 20146

Subject: Almaden Valley Pipeline Carbon Fiber Reinforced Polymer Structural Repair Project  
Contract No. C0636, Project No. 95084002  
**Project Completion Letter**

Dear Mr. Payton:

The District is in receipt of the Project Completion Certification, dated June 27, 2018, from Structural Group, Inc.

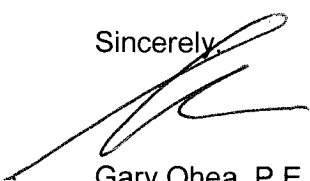

In accordance with **Article 11.01.05 Project Completion**, this serves as the Project Completion Letter for the subject contract and establishes the completion of the project.

All work has been completed as attested to by the District staff and all documents required for contract closeout per **Article 11.03, Submission of Closeout Items**, have been received by the District from the Contractor.

Therefore, in accordance with **Article 11.01.06 Acceptance of Work**, I will recommend that the District Board of Directors formally accept the work of this contract.

If you have any questions, contact me at the District's Santa Teresa Blvd Office, (408) 630-3742 or e-mail at [gohea@valleywater.org](mailto:gohea@valleywater.org).

Sincerely,

Gary Ohea, P.E.  
Senior Civil Engineer  
Construction Services Unit
