## Chief Executive Officer Bulletin Week of July 27- August 2, 2018

### Board Executive Limitation Policy EL-7:

*The Board Appointed Officers shall inform and support the Board in its work. Further, a BAO shall 1) inform the Board of relevant trends, anticipated adverse media coverage, or material external and internal changes, particularly changes in the assumptions upon which any Board policy has previously been established and 2) report in a timely manner an actual or anticipated noncompliance with any policy of the Board.*

<u><a href="#">1</a></u>	<b>District response to public comment on the draft 5-year implementation plan for the Safe, Clean Water and Natural Flood Protection Program</b>
<u><a href="#">2</a></u>	<b><u>Keegan</u> Director Keegan requested that the district look at the potential for San Francisquito Creek Joint Powers Authority, Design Review Board, to participate in the district's lessons learned activity on the San Francisquito Creek Flood Protection Project R-18-0014</b>

### **District response to public comment on the draft 5-year implementation plan for the Safe, Clean Water and Natural Flood Protection Program**

A written report of a memo, dated July 24, 2018, regarding district response to public comment on the draft 5-year implementation plan for the Safe, Clean Water and Natural Flood Protection Program, has been provided in the July 27, 2018, Non-Agenda Packet.

For further information, please contact Ngoc Nguyen at (408) 630-2632.

### **Keegan**

**Director Keegan requested that the district look at the potential for San Francisquito Creek Joint Powers Authority, Design Review Board, to participate in the district's lessons learned activity on the San Francisquito Creek Flood Protection Project R-18-0014**

The district has discussed with the San Francisquito Creek Joint Powers Authority (JPA) about attending the lessons learned activity after the completion of project construction. JPA has indicated that they are interested in attending. The district will invite the JPA to participate in the district's lesson learned activity when it is scheduled. The lessons learned activity is tentatively scheduled for April 2019, after the San Francisquito Creek Flood Protection Project construction is completed in January 2019.

For further information, please contact Ngoc Nguyen at (408) 630-2632.
