**Attachments:** 2019-10-21 SVO Letter - Santa Clara Valley Water PLA (OPPOSE).pdf

Dear Chair LeZotte and Valley Water Board of Directors –

On behalf of The Silicon Valley Organization (The SVO), I am submitting this letter in opposition to any consideration of a Project Labor Agreement for the district's capital projects. By way of background, The SVO is the region's largest Chamber of Commerce representing 1,200+ businesses and their 300,000+ employees.

If you would like any clarification on The SVO's position on this issue, please contact me at (408) 291-5267.

Regards,  
Eddie
