

## NOTICE IS HEREBY GIVEN THAT:

SANTA CLARA VALLEY WATER DISTRICT'S (Valley Water) Draft Capital Improvement Program (CIP) for the Fiscal Years (FY) 2021-2025 was authorized by the Valley Water Board of Directors for release to the cities and county for review on February 25, 2020. It includes a description, schedule, and map for each of the capital improvements Valley Water plans to undertake over the next five years; a financial analysis; and a method of financing such improvements.

A public hearing regarding the CIP will be opened on April 14, 2020, at 1:00 p.m., in the Headquarters Board Room at 5700 Almaden Expressway, San Jose, California. The hearing will be continued at the subsequent Board meeting, currently scheduled for April 28, 2020 at 6:00 p.m. The public hearing will close during the Board meeting on May 12, 2020 at 1:00 p.m. The CIP is available for review on Valley Water's website at <https://www.valleywater.org/public-review-documents> or at Valley Water's office at 5700 Almaden Expressway, San Jose, California.

On the dates, at the time and place as stated, any representative of the cities or county where Valley Water operates, or any person interested in Valley Water's activities in constructing capital improvements, may, in person or by representative, appear and submit evidence concerning the subject of said CIP.

Following the close of the public hearing, the Valley Water Board of Directors will adopt the FY 2021-25 CIP.
