Ms. Sun and Mr. Soong:

On behalf of JPMorgan Chase Bank, National Association ("JPMorgan"), I am pleased to submit the following responses to the Santa Clara Valley Water District's (the "District") request for additional information, dated June 10, 2020.

1) What is the Bank's response to Banktrak's rankings (attached)? Have you or do you plan on implementing any changes to address the issues raised by Banktrak?

We have no official response to the Banktrak rankings provided, other than to note that of the banks that responded to the District's RFP, JPMorgan was ranked in the highest category. For information on the ongoing social responsibility initiatives of the Bank's parent company, JPMorgan Chase & Co., please see use this link: <https://institute.jpmorganchase.com/impact>. Please also see comments made by JPMorgan Chase & Co.'s CEO in his annual letters to shareholders over the years: <https://www.jpmorganchase.com/corporate/investor-relations/annual-report-proxy.htm>. We would be happy to respond to specific questions the District has about any programs described in these links.

2) What is the Bank's response to Bloomberg's rankings (attached)? Have you or do you plan on implementing any changes to address the issues raised by Bloomberg?

We have no response to the Bloomberg rankings provided.

3) Are there any other ESG information the bank wishes to provide? For example, how many branches/employees does the bank have in Santa Clara County and the 9 Bay area counties? Does the Bank have any social responsibility (corporate policies) policies that can be shared with the Board?

Please see the links provided in our response to question 1 above. JPMorgan has 57 branches and 902 resident employees in Santa Clara County. JPMorgan has 148 branches and 2,700 resident employees in the San Francisco-Oakland-Hayward MSA.

4) Will the bank consider offering Valley Water credit up to \$180million, and, act as a lead bank to offer an additional \$20 million syndicated loan to small and local banks/credit unions? The syndication agreement would be between the lead bank and the local banks. The pricing for the local banks is subject to discussion, and may be higher than pricing for the lead bank given the District board's desire to incentivize small local banks participation. If not, does the bank have other ideas/mechanisms to involve small local banks participation in the line of credit business?

JPMorgan is willing to provide \$180 million of credit to the District and to act as lead bank in syndicating an additional \$20 million. All banks in the syndication would need to receive the same terms as JPMorgan.

5) Will the bank consider revising the fee proposal after reviewing the 6/9 Staff Report summarizing the results of the RFP? If so, please submit your revised fee proposals along with the information requested here by 10 am on June 15, 2020.

JPMorgan will not revise its fee proposal.

JPMorgan has reviewed Attachment 1 – Bank Proposals Summary of the 6/9 Staff Report. To facilitate the comparison of bank proposals, we have provided the following additional terms and conditions consistent with the form of Attachment 1 – Bank Proposals Summary.

Long- / Short-Term Ratings:	Fitch: AA / F1+ (Negative) Moody's: Aa2 / P-1 (Stable) S&P" A+ / A-1 (Stable)
