## BOARD AGENDA MEMORANDUM

### **SUBJECT:**

Resolution Proclaiming September 2020 as National Preparedness Month.

### **RECOMMENDATION:**

Adopt the Resolution NATIONAL PREPAREDNESS MONTH, SEPTEMBER 2020.

### **SUMMARY:**

Every year the President of the United States issues a proclamation declaring September as National Preparedness Month. Several state and local governments including the Santa Clara Valley Water District follow suit with proclamations or resolutions to promote family and community disaster planning now and throughout the year. As our nation continues to respond to COVID-19, there is no better time to be involved this September.

National Preparedness Month provides an opportunity to remind us that we all must prepare ourselves and our families now and throughout the year. As our nation continues to respond to COVID-19, there is no better time to be involved this September. This year's National Preparedness Month campaign will focus on planning, with an overarching theme of "Disasters Don't Wait. Make Your Plan Today." and will be comprised of the following 4 weekly themes.

Week 1: September 1-5      Make a Plan

Week 2: September 6-12      Build a Kit

Week 3: September 13-19      Prepare for Disasters

Week 4: September 20-26 Teach Youth about Preparedness

It takes a team effort to ensure that we are ready for any disaster. We are asking our employees and the public including individuals, businesses, local governments, and other organizations to improve their emergency and disaster preparedness by taking time to visit the Ready websites at [ready.gov](https://ready.gov); download the ReadySCC app; sign up for notifications at [AlertSCC.com](https://AlertSCC.com); learn lifesaving skills - such as CPR and first aid; and check your insurance policies and coverage for the hazards you may face,

such as earthquake, flood and fire. Also, know how to take practical safety steps like shutting off water and gas. These activities, along with a vigilant public, contribute to an overall level of preparedness that is critical to the safety of our community.

**FINANCIAL IMPACT:**

There is no financial impact associated with this action.

**CEQA:**

The recommended action does not constitute a project under CEQA because it does not have a potential for resulting in direct or reasonably foreseeable indirect physical change in the environment.
